Action On Sewers Expected Tonight

Mayor Calls Special Session to Get Ok for Seeking Federal Funds

A special meeting of the city council at 8 o'clock this evening was called Tuesday by Mayor Partney in an effort to speed up the city's application for 50% federal funds to be used for construction of a city-wide, \$140,000 master sewer program.

The council's deferral action on the application during Monday night's regular council session, was termed by Mayor Partney as "a vote against Santa Claus."

In a press conference Tuesday afternoon at his office in the city hall, Mayor Partney said the federal government through the newly-organized Department of Housing and Urban Development has \$100,000,000 in funds available to cities for sewer construction with allocations to made before June 30, end of the government's fiscal year.

"We learned on a recent trip to Chicago that Granite City is well in advance of other cities in qualifying for a grant since we have the completed plans developed for the 1961 master sewer program."

"If we can get this application in quickly, we can probably get more than the \$150,000 limit, because it is unlikely other cities can qualify in time," the mayor explained.

GC Could Be First
The \$140,000 sewer program has been broken down into nine projects, he added, and all nine are to be submitted with the application in the event the city could qualify for grants totaling \$70,000. The \$140,000 in federal funds will not be allocated if the applications are not received. Granite City was the first city to get the forms.

This is a blessing to the city and to the residents of Granite City to get the sewer program constructed at half cost. We not only can get sanitary sewers for about 1200 families that do not have them now, but we could also carry out the plans to separate sanitary and storm water sewage to eliminate our drainage problems," Partney said.

It's the mayor's plan to submit the application for federal funds and then the council will decide on the method of financing the city's share of cost.

He pointed out the application was received last week from the federal agency's Chicago office and that he already has received three telephone calls from agency officials wanting to know if it is ready for filing.

The mayor expressed keen disappointment over the council's

Physician Stricken Suddenly In Miami

Dr. Irvin Wiesman, 55, Dies of Heart Attack In Florida Hospital

Dr. Irvin Wiesman, 55, a life-long resident of Granite City and a Quad-City practicing physician for 27 years, died suddenly yesterday morning in Miami, Fla., where he had been attending sessions of the International Academy of Pediatrics. He lived at 116 Twenty-seventh street.

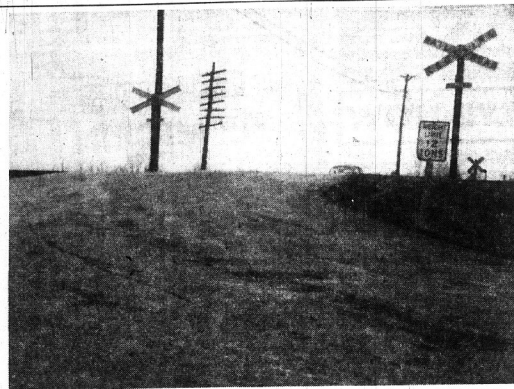

Dr. Wiesman, who had been suffering a heart ailment while asleep, his wife, Mrs. Esther (Koslov) Wiesman, discovered he was in an unconscious condition about 8 a.m. He was taken to County Hospital in Miami where he died about 9 a.m.

Funeral services are to be held at 1 p.m. Friday in St. Louis where friends may call from 11 a.m. until time of services. Details of arrangements are given in today's obituary column.

Dr. Wiesman, a Fellow of the International Academy of Pediatrics, left Granite City March 4 to attend Academy sessions being held in Miami, accompanied by his wife. They were staying at the Fontainebleau Hotel where Dr. Wiesman was stricken.

Attended GC Schools
He was born in Edwardsville, but moved to Granite City at an early age with his parents Mr. and Mrs. Sol Wiesman, who operated a cleaning plant in the 1800 block of State street for many years. His parents preceded him in death. Dr. Wiesman's education was at St. Louis schools and Washington University where he obtained his medical degree.

A major portion of the study is to be carried out this summer, with completion date set for next spring.

Action on the survey followed a lengthy explanatory session involving requirements of the school life safety code. Specific concern was shown by board members on the probable cost of remodeling the Venice high school building on Broadway to conform.

A majority of the board members regarded the expense as "wasting taxpayers' money."

Board Member John E. Gontersman said, "It seems like a waste of time and money to have that building surveyed and renovated when undoubtedly it will be condemned before long."

High school was built in 1917 to accommodate 75 students; its present enrollment is 312.

Usable For Decade
In answer to several questions from board members, Dulgoff said in his opinion the high school should be renovated to comply with the safety code for an estimated \$20,000 and may be usable for the next decade. However, he added, the overcrowded condition would not be alleviated and any addition to it appears impractical because of its design.

The architect said much work will be necessary to meet the code requirements, especially in such areas as ventilation, stairwells, storage rooms, replacement.

Truck, Auto Collide
A truck owned by General Contracting Co. and an auto driven by Frank Mueller, 720 Layton road, collided as each was turning at Edwardsville road and street at 11:45 a.m. Wednesday.

The left side of an auto owned by Frank C. Basden, 1916 Owen street, was struck by a hit-and-run driver while the car was parked during the night at his home, he reported at 4:35 p.m. day. The truck driver's name was not listed.

Bi-State Transit, Drivers Meeting
Negotiations continued today in the contract dispute between Bi-State Transit System and Amalgamated Transit Union, Local 788, in an attempt to settle a deadlock over new contract terms.

Two officers made by the company have been turned down by membership balloting.

Rejection of the contract offer was made last Friday. In both instances the agreement offers have been endorsed by the union's executive board. Negotiations were resumed Tuesday and continued all day yesterday. Sessions resumed early this morning.

Parked Auto Struck
The left side of an auto owned by Frank C. Basden, 1916 Owen street, was struck by a hit-and-run driver while the car was parked during the night at his home, he reported at 4:35 p.m. day. The truck driver's name was not listed.

15 Undergo Surgery At Local Hospital
The following are recovering at St. Elizabeth Hospital from surgery which they underwent since Monday:

Peter Vrazzity, 1702 Garfield avenue; Helen Spurling, 2612 East 27th street; Frances Bolanski, 2412 Grand avenue; Wanda Hall, 1628 Delmar avenue; Michael Ollis, 3218 Aubrey avenue; Mattie Hamm, 2307 East 23rd street; Richard Cooper, Route One.

Clara Doering, Collinsville; Margaret Schaefer, 2382 Iowa street; Betty Bellman, 2800 West 26th street; Edward Johnson, 1713 Spruce street; Ollie Jarvis, 2405 Dewey avenue; Albert Weldon, 2021 Washington avenue; Ronald Ward, 3001 Maryville road; Anna Mae Murphy, 1332 Edwardsville road.

Church, Auto Collide
A truck owned by General Contracting Co. and an auto driven by Frank Mueller, 720 Layton road, collided as each was turning at Edwardsville road and street at 11:45 a.m. Wednesday.

Church Land Donated
The land donated for the two churches and for a public school covered an area of several blocks where Route 203 turns to the east and becomes Chain of Rocks road.

The Catholic church was built on the east side of what is now Route 203 about a half block before it turns onto Chain of Rocks road. Parishioners furnished the labor and materials for the church, built of brick, and upon completion it was named St. Elizabeth in honor of Elizabeth Hackett, Ebber, who cooked and furnished food for builders of the church. The Catholic church was begun in September 1871.

The Protestant church was located on the south side of what is now Chain of Rocks road, about a block or so distant from St. Elizabeth church, while the school was located nearby.

Both the Protestant church and St. Elizabeth Church have played a foremost part in the area's development as centers of the inhabitants' religious and social life, without which no community can take root. As things turned out, however, the Protestant church and members of its congregation were to experience a series of developments that left the church almost constantly in a state of change.

Grant Was Provisional
As a provision of the land grant made by the Mitchell brothers, title to the land was to be awarded after the church had been established and operated by any one denomination for twelve years. Best available records indicate that the Baptists maintained the church for only a few years. Sometime later there was a move to tear down the building, but this was abandoned when an arrangement was made for the Methodists to take it over.

There is no record of the time the church continued as a Methodist institution, but it was far short of the twelve years required to gain title.

The church then was taken over by the Presbyterian denomination.

\$586,531 Low Bid For Maryville Rd. Improvement Work

A low bid of \$586,531 was submitted by the Calhoun County Construction Co. of Springfield for the Maryville road improvement project as bids were opened Tuesday morning in the office of Harry A. Kluge, county superintendent of highways at Edwardsville.

The bid is about five per cent higher than the estimate, but the road and bridge committee is to recommend to the county board of supervisors that a contract be let to the Calhoun firm.

Four bids were submitted. The others were: Hoelken Brothers, Belleville, \$609,422; Sangamo Construction Co., Springfield, \$622,072; and Keeley Brothers, East St. Louis, \$635,300.

As the project will be financed with motor fuel tax funds, the contract is subject to approval of the state highway division.

Kluge said, and work will start when it becomes official.

The cost is being prorated between the county and the city of Granite City as part of the improvement is located in the city limits.

The improvement will extend from Patton road to old By-pass, west of Mitchell. The work will include 1,580 miles of 10-inch concrete pavement 24 feet wide with shoulders 10 feet wide north of Route 203, and 10-inch concrete pavement 44 feet wide with shoulders 10 feet wide south of Route 203, along with pipe culverts and storm sewers.

Congressional, Legislative Panel Program for Kiwanis

Granite City Kiwanis club became another of the local men's service organizations to hear representatives of the Tri-Cities Chamber of Commerce's congressional action-legislative affairs committee discuss federal legislative issues and their possible impact on the citizen.

A panel program, spotlighting examples of important legislation, was presented Monday evening at the club's weekly dinner session. Held in the Rose Bowl restaurant, 17 were present including a guest, Louis Boulton of Edwardsville, Peter R. Jelen, Kiwanis president, welcomed the group and introduced Samuel Meyer, committee chairman and panel moderator.

Meyer explained the objectives of the C. of C.-sponsored panel was to encourage citizens to communicate their support or dissent with their Congressman or Senator on various legislative issues. He added that appropriate action should be taken by the individual after first hearing a 11 available information on major proposals, enabling options to be formulated.

Panel members and their topics included M. Freeman Wolfe, who spoke on unemployment compensation act, state taxation of interstate commerce and non-fiscal reporting; William F. Hoelscher, who discussed labor legislation and Illinois unemployment compensation.

Howard Kaseberg reviewed federal controls in business and agriculture, packaging and label controls and simple annual rate credit controls. The final speaker was Attorney Irvin Slate Jr., who discussed federal intervention in state and local affairs, and a bill to be presented to state legislature on reorganization.

Slate also spoke on electoral college reforms, outlining four plans which are under consideration. One method, attorney said, would provide for the president's election by popular vote. The second, termed the district plan, would permit each congressional district a single vote.

The third proposal, Slate continued, would abolish the electoral college as such and award the presidency to the candidate in accordance with his total percentage. A fourth plan, he said, would award all electoral votes in one state to the candidate with the most popular vote.

Following a question and answer period, Ferd Gower, C. of C. executive secretary, relayed information to the club by a National Security Seminar, to be conducted by the Industrial College of the Armed Forces, March 21 through April 1, at Southern Illinois University, Carbondale.

Gower explained that attendance at all ten daily sessions was not mandatory to participate in the course. However, he said, a certificate of completion will be presented to those who attend over half of the classes.

Designed to provide a better understanding of national and international issues involving America, the seminar covers a vast range of subjects, including techniques of communism, space exploration, geopolitics, contemporary management, human resources, industry's defense readiness, Far Eastern countries, strategic and critical materials, NATO and a review of foreign aid problems.

St. John Church To Dedicate New Organ on Sunday

The new organ in St. John United Church of Christ, built by the Reuter Organ Co., Lawrence, Kan., will be dedicated Sunday morning with a program of special music under the direction of Mrs. Isabel Schmidt, organist and choir director.

The public is being invited to either the 9 a.m. or 10:30 a.m. service.

The organ, designed by Professor Walter Krebs, professor of music at Eden Theological Seminary, Webster Groves, Mo., in collaboration with Edward Sieckmann, district representative of the Reuter firm, is a combination of the classical and modern ideal in a single organ.

It is described as giving authoritative performances of organ music of all periods and styles as well as serving as an instrument to lead the music of the worship service.

The three-keyboard organ is controlled by 30 stops and contains almost 1600 pipes arranged in 26 ranks or graduated sets of different pitch levels.

Four Basic Tones

Sunday's selection of hymns, the accompanying music for the three choirs, the organ prelude and the postlude will seek to demonstrate the four basic classes of organ tones. They are: Diapason tone. From the first, these metal pipes which provide true organ tone were displayed at the front of organ cases.

Flute tone. This term the wide and varied range of flute-like tones produced by several kinds of organ pipes. It is in this great range that the organist finds a richly spread palette for production of innumerable tonal colors that also lend themselves to effective registration, combining with the stops of every other tonality.

String tone. This group of stops, not meant to imitate their orchestral counterpart, forms a vibrant background much as the viola is to an orchestra. They are necessary for the suitable playing of some of the organ literature between Bach and the current Baroque revival composers.

Reed tone. This sound, produced by a brass tongue set in the base of the pipes, takes many forms—from the bright, trumpet-like quality to the colorful sounds of the oboe and krumphorn. Except for the console and some parts of the wooden pipes, mahogany was used throughout for all parts of wooden construction.

N. Central Group To Inspect Venice High Next Week

The first visitation committee appointed by the North Central Association of Colleges and Secondary Schools to inspect and evaluate curriculum at Venice high school will begin a three-day accreditation study Monday. Two Granite City school teachers and one from the Madison schools have been named to the nine-man study group.

Committee members include Miss Barbara Kerch, supervisor of physical education, and Robert C. Nelson, mathematics department head, both of Granite City high school; Richard I. Brown, guidance counselor, Madison high school; Mrs. Dorothy O'Harvey, English instructor, East St. Louis high school.

Alfred Auerer, social studies teacher, Triad high school, St. Jacob, Ill.; Paul J. Diefenbach, principal, Highland high school; Dr. Roy Steinbrook, Southern Illinois University—Southern Campus; Harry R. McPhail, regional director of recognition program of the Office of State Superintendent of Public Instruction, Springfield, Ill.; and W. Stratton, Superintendent of schools, Highland, Ill., who will serve as chairman.

Plans concerning the study were discussed Monday evening by Venice school board members. School Supt. John O. Pier explained the inspection program will start at 3:30 p.m. Monday when the visitation group is to meet for an informal coffee hour with the high school faculty.

During this period, Pier reported, the committee members will familiarize the faculty with procedures and purposes of the accreditation rating system. They also will answer questions and arrange suitable interview times.

At 6:30 the same evening, the visitors and school board members will be held at the Rose Bowl restaurant.

On Tuesday, the committee will examine documents, talk to teachers, students and administrative personnel and study general academic areas. Classroom visitations and small group meetings with department heads will be held at 3:30 p.m. that day.

An evaluation of criteria materials, reports and interviews with the high school principal and school superintendent are to be held Wednesday afternoon, after additional classroom visits are made in the morning hours.

Accommodation at a Granite City motel and meal expenses incurred by the visiting committee are the responsibility of the school district, Pier told the board members.

In other action, the board transferred by resolution to the working cash fund, sums of \$100,000 from the education fund and \$5181 from the bonds and interest fund.

Pier reported the district had received \$80,128 as final settlement in taxes, bringing the education fund total to \$250,935. He added that \$12,605 also had been paid to the district, relating to the 1955-56 tax objection case involving Union Electric Co.

VA Explains Benefits of New Veteran Act

The Veterans Readjustment Benefits Act of 1966 which recently was signed into law by President Johnson provides a permanent program of benefits to veterans who have served or who will serve in the U.S. armed forces since Jan. 31, 1955.

Chief among these benefits will be education, home loan guaranty and the extension of VA hospital benefits on the same priority basis as for wartime veterans.

About four million veterans discharged from the service since Jan. 31, 1955, ranging from "cold war" veterans to those now on duty in Vietnam, become eligible for benefits some what similar to those granted the veterans of world war II and the Korean conflict.

At the same time, provision has been made for 600,000 additional veterans who will be returning to civilian life each calendar year to participate in the same benefits.

In all cases, to be eligible the veterans must have been discharged from the service in good standing and they must not already have used up their eligibility under previous programs.

All the new benefits, with the exception of the educational assistance program, went into effect immediately upon the President's signing of the Bill. The educational assistance provisions start on June 1.

List of Benefits

The benefits established by the new law are: educational assistance, home and farm loans, medical care, job counseling, placement, federal employment preference, and the issuance of burial flags.

A brief summary of each follows:

EDUCATION: Veterans with more than 180 days active duty, any part of which occurred on or after Feb. 1, 1955, will be eligible for one month of college, vocational or similar education for each month or fraction of a month on active duty. Those taking full-time courses will receive \$100 per month if they have no dependents; \$125 a month one dependent, and \$150 a month with more than one dependent. Proportional rates will be paid for part-time courses. The income of the veterans will not be considered. Application blanks and full information will be available at VA offices and at colleges and educational centers nationwide in April, well in advance of the June 1, 1966, starting date.

The maximum period allowed will be 36 months but this may be reduced by the amount of

educational assistance previously received under a VA educational program. Since the program starts by law on June 1, 1966, there can be no retroactive payments.

There is no deadline date to enter upon the educational program and veterans will have eight years from the date of their discharge from active service to complete their courses. However, the first cut-off date will not be until March 3, 1974.

LOAN GUARANTY PROGRAM. Veterans with more than 180 days of active duty will be eligible for VA guaranteed home or farm loans or VA direct home loans in areas where such loans are authorized.

They will have until 10 years after the date of their last discharge from active service plus one year additional to make a three-month period of active service to make such a loan, with a maximum deadline date of 20 years after the date of discharge from the qualifying service. For those veterans who have already been on the VA rolls for a period of years, a minimum entitlement date has been set at ten years.

VA guaranteed loans will be made at 5 1/2 percent interest rate. The new law authorizes the Administrator of Veterans Affairs to establish an interest rate as he determines the requirements of the loan market, but not to exceed the rate in effect for loans insured by FHA.

A one-time non-recurring fee not to exceed one-half of one percent of the loan amount is payable by the veteran but may be included in the loan and collected by the lender. However, VA must be remitted to the VA before a guaranty certificate may be issued.

Scope of Loans
In the direct loan program, the new law raises the maximum loan possible from \$15,000 to \$17,500. Veterans with unusual needs and unexpired world war II or Korean conflict entitlement will have that previous entitlement cancelled and will become eligible under the new law alone. However, during the period their cancelled entitlement would have been available such veterans not only need not pay the statutory guaranty or direct loan fee under the new law but they may also secure loans for business purposes as well as for home and farm purposes.

NOTE: Both the educational assistance and loan guaranty provisions of the new law will apply to those persons who remain in the service after two years of military duty.

MEDICAL CARE: Veterans

who have served after Jan. 31, 1955, will be eligible for admission to VA hospitals on the same basis as wartime veterans. The priorities are:

First: Veterans with service-connected disabilities have top priority for admission; second: veterans with service-connected disabilities but who are seeking treatment for some other ailment will be admitted as beds are available; third: veterans without service-connected disabilities may be admitted to VA hospitals if (a) hospitalization is deemed necessary; (b) they are financially unable to defray the cost of the hospitalization; and (c) beds are available.

OTHER BENEFITS: The new law also makes provisions for job counseling and job placement, both of these under the auspices of the Veterans Employment Service of the U.S. Department of Labor; and Civil Service preference in federal employment.

A United States flag will be provided for use at the funeral of veterans who have served after Jan. 31, 1955, and to be retained by the next of kin. Veterans who believe they are eligible for any of these benefits except the educational assistance program, can write, telephone or visit the nearest VA Regional office which is usually in the state in which they reside.

Veterans interested in the educational benefits are reminded that they cannot start any courses until after June 1, 1966, and it will not be until mid-April that the proper forms and instructions will be ready.

Hillside Drainage Committee to Meet This Afternoon

A committee of civic and business leaders, appointed recently by Lawrence Tolar, president of the East Side Levee and Sanitary district board of trustees for the purpose of organizing an open meeting on interior flood control, will meet at 3 p.m. today in the board room of the Granite City Trust & Savings bank.

William Boyne, editor of the Metro-East Journal who was appointed chairman of the citizens committee, said enough of the members indicated a willingness to discuss the matter that he believed a meeting was justified. Members of the committee named by Tolar said they had not been asked in advance to serve on the committee. The committee members will determine in Thursday's session whether or not they wish to continue participation in the project.

When Tolar announced the appointments, he said the group would be requested to plan a larger committee to investigate fully the possibility of setting up a hillside drainage project that would encompass an extensive territory involved in the overall flood picture, both inside and outside the levee district.

Named to the committee were Boyne, C. E. Townsend, editor & publisher of the Granite City Press-Record; Theodore Mike, executive director of the Metropolitan Illinois Metropolitan Area Planning Commission; Carl A. Ranft, chairman of the

Police Action Ordered to End Long Delays at RR Crossings

"Police should be notified if a train blocks a crossing longer than 10 minutes," Mayor Partney advised Granite City council members Monday night after hearing complaints of long delays.

The mayor said police have instructions to issue arrest tickets to train crews responsible for tying up vehicular traffic.

Among the complainants Monday night was Alderman Nomm, who said he had waited as long as 20 to 30 minutes at a crossing.

"You should have called police," the mayor told him. Nomm also called for the city street department to repair the crossings and for the cost to be billed to the individual railroads. He withdrew the motion later, after City Atty. Allen explained the city would have to assume the responsibility and would be defendant in lawsuits if someone should fall and suffer an injury at the crossings. "It now rests with the railroads who are required to maintain the crossings for a distance of 16 inches beyond their rails," he explained, adding, "If the city does the job, then we'd be responsible."

Nomm changed his motion for

the Illinois Commerce Commission to be notified of the needed repairs.

Later last year the city met with railroad representatives to complain about the crossing delays and the needed repairs. The railroads did patch work and promised to eliminate the blocking of streets.

The conferences were called after a train breakdown caused hundreds of industrial workers and school children to be late for work and classes. At that time, crossing repairs also were requested. The train crew was issued an arrest ticket.

Alderman Sternberg said recent severe weather apparently had caused further damage to the roadways at the crossings.

Completes Armory Officer Course

Second Lt. Jesse L. Keeton, a son of Mr. and Mrs. Riley S. Keeton, 2811 West 22nd street, completed a nine-week officer orientation course at the Army Center, Fort Knox, Ky., Tuesday.

The lieutenant entered the Army in February 1965 and was last stationed at Fort Benning, Ga. He attended the Granite City high school before entering the Army.

Discharged from Navy
Jerry Shane, son of Mr. and Mrs. Augusta Shane, 2413 Angela drive, has returned home after being discharged from the Navy. He served four years and four months and was stationed at Monterey, Calif., as an aircraft structural mechanic.

Young-Greenawalt NLRB Ruling Upheld by Board

A three-member panel of the National Labor Relations Board upheld today an August 1965 ruling of NLRB Trial Examiner Laurence A. Knapp holding that Young & Greenawalt Co., operators of a Granite City steel fabricating plant, engaged in unfair labor practices by prematurely recognizing the Boilermakers' union as representative of its employees and by discrimination of certain employees in favor of the union.

The original ruling and the current affirmation by the NLRB panel grew out of a company filed with the NLRB by United Steelworkers of America who alleged the Boilermakers was illegally constituted as the plant's representative union through contracts signed by a union agent and company officials at a time when only clean-up men and maintenance workers were on the payroll, and before production had started.

Young & Greenawalt Co., acquired plant facilities in July and began operating in August 1964. The affirmative ruling orders the company to cease and desist from recognizing the Boilermakers as the company's union unless and until it is so certified by the NLRB. The company also is ordered to discontinue collecting dues from employees for the union and to refrain from interference with employees in their efforts to bargain collectively through representatives of their own choosing.

The company and Boilermakers' union is ordered to refund all fees, dues and assessments deducted from salaries of employees who became members of the union after July 25, 1964, and also is ordered to reinstate two employees held to have been discharged for refusal to join the union. The company is ordered to reimburse the two employees for loss of pay incurred during the period.

New GI Bill to Aid 10,575 Vets in Area

(Special from Washington) Approximately 10,575 veterans in the 24th Congressional District are potentially eligible for benefits and services under the new GI Bill just signed by President Johnson. Congressman Melvin Price said today.

Price as a co-sponsor of this legislation was one of those invited to the White House to attend the signing.

The new GI Bill provides education and training programs generally patterned after the highly successful GI Bills of World War I and the Korean conflict.

The Congressman pointed out that in the first year alone, over 1300 veterans are expected to take advantage of the educational benefits, according to statistics from the Veterans Administration. This educational provision is expected to provide the veterans in the district almost \$80,000 in direct benefits in that first year, according to Congressman Price.

Dr. Donald Spalding, Father of 3, Drafted

Dr. Donald Spalding, a son of Mrs. Francis Daniel, 314 Colgate place, is one of the physicians called to military service. Dr. Spalding, who resides with his wife and three pre-school children in St. Louis county, is in San Antonio, Tex., at Camp Houston where he will spend six weeks before being sent to El Paso, Tex.

Mrs. Spalding and the children are remaining at their home in St. Louis county.

ELK OF THE YEAR AWARD presented to Charles Lybarger (right) by Paul Edmonds, awards committee chairman.

Lybarger Designated Elk of the Year Here

Charles A. Lybarger, president of Lybarger Materials Co., was presented the Elk of the Year award from Granite City Lodge 1063 during a lodge meeting Tuesday night.

The award was conferred by Paul Edmonds, chairman of the awards committee. Lybarger is a commissioner of the Illinois Elks Aid to Cerebral Palsy. He was cited for numerous past activities. He served twice as past exalted ruler and as a district vice-president.

A framed certificate was presented "as an expression of gratitude and appreciation of the lodge and of the grand lodge for his loyal and meritorious services in the furtherance of the objectives of our order."

It was signed by R. Leonard Bush, grand exalted ruler, and Franklin J. Fitzpatrick, grand secretary.

CD Shelter, Supervisor Progress in Madison

Increased emphasis is being placed on well-equipped, well-stocked and roomy shelters, Madison Civil Defense Director Harry R. Johnson has announced in reporting that at St. Mary's rectory is now ready to handle up to 80 persons, the Friedman building at 423 Madison avenue 94 persons, the building at 405 Madison avenue 54 persons, and the Madison post office, 50 persons. Old radioactivity detection equipment is to be replaced with new.

Progress also is being made in equipping shelters at the Palchiff building, 12th street and Grand avenue, the Darling building, Sixth street and Madison avenue, the Cook building, 422 Madison avenue, and the Madison fire hall.

Those interested in cooperating in finding other potential shelters and in providing supervisors may contact Johnson or James Loy, Madison high school science teacher, who is to receive two weeks of refresher CD training at Battle Creek, Mich.

Training of Madison shelter supervisors is to be carried out in conjunction with the State Civil Defense Department, with two designated for each shelter.

Donna Dowhitt Queen At Belmont College

Miss Donna Dowhitt, 20, a junior history major at Belmont College, Nashville, Tenn., has been chosen as Miss Tower for 1966 in a campuswide contest. She is the daughter of Mr. and Mrs. William Cedeck, 1710 Fifth street, Madison.

Selected on the basis of poise, talent and beauty, she was sponsored by the Beltones, a girls' musical ensemble at the college. For her talent presentation, the new campus queen sang a medley of songs from "The King and I."

5 Persons Hurt In Area Traffic

In addition to two fatalities, Quad-City traffic this week injured five persons, one of them took two lives. Collisions totaled 16. The other injury accidents were as follows:

Marvin E. Kinworthy, 42, of 2810 Propes avenue, suffered minor injuries when his auto collided with another driven by Eugene Scates, Edwardsville, who was making a left turn off 17th street onto Edison avenue at 7:30 a.m. today. Scates was charged with failure to yield right-of-way and was summoned for a hearing by March 18.

Steering Fails
Engine failure in an auto driven by Mary A. Gorbey, 18, of 1823 Pontoon road, caused her power steering to become inoperable, causing it to strike the rear of a parked Slater Co. truck parked at 2800 National avenue at 9 p.m. Wednesday. She complained of injuries.

Marvin J. Hueter, 37, of 2404 St. Clair avenue, suffered a neck injury at 5:10 p.m. Wednesday when the car he was driving collided at Seventh street and Broadway with an auto driven by Michael Britt, 18, of 71 Venice Homes. Hueter was admitted to St. Elizabeth Hospital for treatment of severe cuts to his head and neck and abrasions to his left hand and right knee.

Venice police said the accident occurred when Hueter, headed west on Broadway, made a left turn into Seventh street, colliding with Britt's car which was going east on Broadway. Britt is the son of Thomas W. Britt, Venice fire truck driver.

Clarence Faverly, 87, Dies at Nursing Home

Clarence W. Faverly, 87, of 2424 State street, died at 5:10 p.m. yesterday at the Castle Haven Nursing Home, Swansea, Ill., following a six-month illness. He had been a patient at the home for the past eight weeks. His death was attributed to emphysema.

A local resident for 25 years, Mr. Faverly formerly lived in East St. Louis. He was born in French Village, Ill. Until retiring in 1940, he was employed as a maintenance man at the former Massey Dairy Co. He was a member of St. Peter United Church of Christ. His wife, Amelia, died in 1951.

Surviving is one son, Frederick E. Faverly of Evansville, Ill., a daughter, Mrs. Arthur F. (Dorothy) Buente Jr., of Granite City, four grandchildren and one great-grandchild.

Funeral arrangements are given in today's obituary column.

Dachshund That Bit GC Boy Being Sought

Identity of a brown dachshund owned by a blonde woman who drives a black auto is being sought by Bruce Manninger, 11, son of Mr. and Mrs. Rex Manninger, 2440 East 24th street. He has failed to locate them by tomorrow, he will have to start a 21-shot anti-rabies series.

The boy was bitten on a leg by the dog while it was on a leash held by the woman, who was shopping at the C & E Confectionery, 2324 East 24th. The incident occurred Sunday.

A Webster school sixth grader, he did not initially realize he had been bitten. But the wound began to bleed and later turned red, blue and black.

The woman being sought shops occasionally at the confectionery, and probably is unaware of the need for her dog to be kept under observation. If the pet can be found, the boy may be able to avoid the series of shots.

LEAVES FOR ARMY BASE

Pfc. Frank Scaturro, son of Mr. and Mrs. Dominic Scaturro, 1229 Robin street, left Sunday morning for Fort Raleigh, Kan. He will be stationed there about two months or until his unit builds up to 500 or 600 men. Unless there is a change in his orders he will then leave for Vietnam.

Pfc. Scaturro previously was stationed at Fort Leonard Wood, Mo. He has been visiting with his parents for the past five weeks.

Venice, Madison Sewer Rent Due in April

Venice and Madison house-holders will begin paying monthly fees in the East Side Levee and Sanitary District's sewerage treatment program the latter part of April, it was announced by levee district officials at a meeting yesterday.

The announcement followed approval by the levee district trustees of an ordinance amending the original Lansdowne Sewer treatment ordinance to permit billing quarterly instead of monthly, to permit collection of sewerage treatment payments by agencies other than the levee district and to permit issuance of bills on an average water consumption record for a one-year period.

The ordinance does not change the rates in any way, according to John Sprague, levee district attorney.

The fact that potential users of the new sewer lines and treatment plant now under construction by the levee district would begin making the rental use payments in advance of completed construction of the facilities was announced several months ago. At that time it was pointed out that payments would be collected now so that the district can meet bond and interest payments that will begin coming due early next year.

Based on Water Use
Ben F. Day, former chief clerk of the levee district and now in charge of the treatment plant office, said that collections originally were due to start April 1, but that they had to be postponed until the latter part of the month

because meter readings by the East St. Louis & Interurban Water Co. are not made until the middle of the month. Billings are to be made on the basis of water consumption as recorded by the water company to determine application of rates.

Under present schedules the rate for the average household will be \$1.25 per month for the first cubic foot of water used. The rate graduates upward, depending upon volume of water used. Levee board officials have maintained that the present rate will be retained, despite the fact that the city of Collinsville apparently intends to withdraw from its agreement to participate in the sewerage treatment program.

The amending ordinance passed by levee trustees in regular meeting yesterday contained amendments that, Sprague explained, would give the billing clerks alternative methods of operation. The amendments do not specify any given procedure, but will permit the clerks a more flexible working program.

May Bill Quarterly
The amending ordinance provides that the billing officials may bill on a quarterly, rather than monthly, program to cut postage costs, to cut down addressing work and to spread the work out over a three-month period. The original ordinance specified that billing must be done monthly.

Meter readings of water consumption also are made every three months, it was pointed out, only to a permissive grant. No lease will be granted at present because it is possible the land may be needed in the future for highway or road easements, levee district officials said.

communities. Such collection points may be set up by the levee district office, which was specified as the only collection agency in the original ordinance.

The levee trustees also approved vouchers totaling \$108,173 for February. Chief Clerk Ben Campbell said the amount included \$50,000 worth of unpaid bills that accumulated near the end of the district's fiscal year in December when the district funds were exhausted.

A payroll of \$27,411 for the first half of February and a payroll of \$21,751 for the second half of the month also was approved.

Approve Bills
Payment of \$3142 to the Collinsville Construction Co. for labor and materials on the Lansdowne Treatment Plant project was approved, as were bills of \$430 for the Granite City Press-Record and \$387 for the Metro East Journal for publication of legal notices.

William "Mike" Ebersoldt of Venice, a Madison county trustee, presented a report on a visit by levee trustees and engineers recently to the Chicago Sanitary District and Port Authority. The group inspected facilities of the agencies to obtain information that may be put in use in the levee district here, Ebersoldt explained.

The board voted to permit the Trail Riders Club of Granite City to use a plot of levee board land at Rock road and the old levee, but limited the extent of its use only to a permissive grant. No lease will be granted at present because it is possible the land may be needed in the future for highway or road easements, levee district officials said.

CAMPAIGN LEADERS for a U. S. Savings Bond campaign in area-wide industrial plants for early May. Meetings yesterday at the Army Depot to arrange the drive were, left to right—N. R. Brink, Harry A. Lutz, Col. Charles B. Schweitzer, Henry D. Karandjef, Lonnie Garner and Harry C. Wood.

GCHS Civics Students At Council Meeting

A jam-packed meeting of the Granite City Council members Monday night at Albert Lewis, high school civics teacher, had 90 of his students in attendance.

The council was 20 minutes late in starting due to a pre-meeting session to go over preparations for seeking a grant of federal tax funds for sewer construction.

Students and a few parents and others in the audience swelled attendance to over 125. Most of the students stayed for about 90 minutes of the session, and then were about 20 present when council adjourned after 10 o'clock.

Savings Bond Campaign Planned for Early May

Savings Bond volunteer chairman met yesterday at a special luncheon deciding the campaign date for the committees of the Quad-Cities, Alton and East St. Louis.

The luncheon was held at the officer's club at the Granite City Army Depot for executives of area industries to outline a U. S. Savings Bonds campaign to be conducted in the area the first or second week of May. Savings Bonds industrial meetings are to be held in East St. Louis on April 12, in Alton on April 14 and in the Quad-Cities on April 13, in preparation for the campaign.

The host yesterday was Col. Charles B. Schweitzer, commander of the Granite City Army Depot. Attending the meeting were Henry D. Karandjef, general campaign chairman, and chairman of the board for the Granite City Trust & Savings Bank; Nicholas R. Brink, Quad-City chairman and plant manager of A. O. Smith Corp.; Harry A. Lutz, East St. Louis area chairman and plant manager of the Mobil Oil Co.; East St. Louis; and Lonnie Garner representing area industries to outline a U. S. Savings Bonds campaign to be conducted in the area the first or second week of May.

Madison Council To Control Sale Of Jubilee Items

The Madison city council Tuesday night banned the sale of all items connected with its 75th anniversary celebration this summer if sold without the permission of the Diamond Jubilee committee.

After the council passed a resolution, Mayor Stephen Maeras said he is sure of the cooperation of local merchants.

He called it a token resolution, but deemed helpful to attempt to keep the celebration on a self-sustaining basis.

Items include admissions to the historical pageant, badges, special currency, wood coins, wearing apparel and other commemorative materials.

Purchase Insect Fogger
The council approved purchase of a new fogging machine from Todd Products Co., Wyocet, N. J., for a total of \$199, including such accessories as an automatic shut-off valve, so that delivery can be made before the insect season starts.

Stanley Lucas, superintendent of streets, reported that the old machine purchased in 1948 is worn out.

A new machine will be kept, however, and a gas tank will be replaced, as the machine has no trade-in value.

Meat on Incinerator
Mayor Maeras said he was to meet yesterday with Mayors

Parney of Granite City and Lee of Venice and a representative of a St. Louis research firm to consider data on incinerators, either for individual cities or for all three cities.

He said a meeting also has been called for March 24 to consider proposals for one or more incinerators for the entire county.

The meeting was called by Cliff Clifford, Madison county building and zoning administrator, and the mayor said he has been working with Clifford on county-wide plans.

Raze or Repair Houses
The council approved a request by Pete Skundrich, building inspector, to repair or raze residential properties, garages and fences owned by Rno Zerkulien at 1341-43 Madison avenue.

The report said a four-story flat at 1367 Madison avenue should be condemned and razed.

J. D. Bergfield Jr. Is Hospitalized

J. D. Bergfield Jr., 2201 Cleveland blvd., a former Third Ward alderman, is undergoing treatment at St. Elizabeth Hospital for face injuries received Monday evening.

Further details were available.

One family now resides in it. Landrich said the house at 1341 Madison avenue should be repaired immediately, both inside and outside, and that sheds at 1341 and 1343 Madison should be torn down.

Other property owned by Zerkulien has been condemned and razed in Madison and Granite City.

Third Ward Alderman Raymond Kozielek expressed the hope that eventually the state will approve electric signals for the McCambridge avenue-Edwardsville road intersection. He noted that a new normal request for electric signals could have caused another year's delay in the improvement of McCambridge to be conducted this spring.

He said a meeting also has been called for March 24 to consider proposals for one or more incinerators for the entire county.

The meeting was called by Cliff Clifford, Madison county building and zoning administrator, and the mayor said he has been working with Clifford on county-wide plans.

Granite City Tax Loss \$278,830 Due to Rate Cuts

Granite City will suffer an actual tax loss of \$278,830 due to cutbacks in its general fund and garbage rates under the Hodge-Butler rate limit formula, members of the Granite City council were informed Monday night by Alderman Paul Rutledge, chairman of the Finance committee.

An accurate determination of the loss was made after Comptroller John Doehrer obtained figures from the county clerk's office at Edwardsville—enabling him to compute rates as they will affect the city's tax extension.

While the city will not encounter any immediate emergency because of a \$689,592 reserve in its sales tax and parking meter funds, Rutledge told council members:

"You can see that there is a job cut out for you."

Mayor Plans Meeting
Mayor Donald Partney said he planned an early meeting with the finance committee, probably next week, to discuss the matter in detail. Since there is no way of making up the loss tax-wise, a cut in certain services appears probable after the city uses up its reserve. The city is currently working on its 1966-67 budget. The fiscal year starts May 1.

Rutledge told council members that the general revenue rate as originally extended would have raised \$14,790 for the 1965-66 year, but under the rate reduced by the Hodge-Butler formula will produce only \$219,170, a loss of \$135,610.

The special garbage fund rate as originally extended would have produced \$149,065. This will

Area's Births and Deaths Decline During February

Sixty-seven births and 35 deaths were recorded in the Quad-City area during February, a decrease of 18 births and two deaths below those of the same month a year ago, according to a vital statistics report from Granite City Clerk Homer Pennington.

It was a record for the lowest number of births since 1965.

The total of 67 births, with the 83 reported in January, increases to 150 the total number of births during the two-month period, as compared to a total of 181 for the same period in 1965. Births total 96 in January and 82 in February last year, a total of 181.

The 35 deaths reported in February, with the 43 in January, resulted in a total of 78, or four less than the 82 total of the same period a year ago. There were 45 deaths in January and 37 in February, 1965.

One stillbirth was reported in January, this year, making a total of two so far this year, while last year two stillbirths were reported in January and three in February for a total of five.

Garbage Rate Cut
The garbage fund rate, Doehrer said, would have been 9 cents per \$100 valuation under the usual rate extension, but under the Hodge-Butler formula will be set at .0425 cents per \$100 valuation.

The city will be able to meet the loss for a short time with its reserve, which consists of \$477,841 in the sales tax fund, and a balance of \$91,751 in its parking meter fund.

Miss Eulalia Hotz, Madison county clerk, said that rates will be reduced in practically all communities as the result of a ruling by State's Attorney Joseph Bartylak that the Hodge-Butler formula should be applied. Bartylak maintained in his ruling that so long as the formula is not applied, small taxpayers are paying the higher tax while railroads and industry protest their tax bills and receive refunds.

Rates for other Quad-City area taxing agencies will not be completed for another week or ten days, Miss Hotz said.

GC Stadium Drive Paced By Committee

A five-man committee has been appointed to meet with clubs, organizations and interested persons to spearhead the drive for construction of a proposed football stadium and athletic plant at Granite City. It was announced Monday night.

Making the appointments at a meeting of the Boosters of the Fighting Warriors club, Emerald Davies, president, said the committee will "try to iron out potential problems in getting the drive going."

Appointed to the committee were Lloyd Whitworth, Nick Petrillo, Rich Neuman, Joseph Miles and Davies.

Davies said an architect's drawing of the proposed structure is not available as yet, but he hopes it will be in the near future.

Effendi holds the fastest time in the Prekness horse race, at 1:39 and three-fifths in 1965.

Shot-Putter to Lead SIU in NCAA Meet

Shot-putter George Woods will lead Southern Illinois University's track and field team in NCAA competition at Detroit, Mich., this weekend.

Unbeaten this season and with new meet and field house records in each of his indoor appearances so far, Woods is considered a prime choice to gain blue ribbon honors in the shot put. His best effort of the season has been a 61 feet 2 1/2 inch toss.

Don Freeman on UPI All-Big Ten Team

Don Freeman, the new all-time high scorer at the University of Illinois, received yet another honor yesterday. He was named to the first team of United Press International's All-Big Ten Basketball squad.

The 6'3" pride of Madison this year established three new scoring marks for the Illini.

Sectional Jobs for Three GC Referees
Three Granite City IHSA basketball officials have been assigned to sectional tournament centers throughout the state, with play taking place this week. James E. Corbin and Frank L. Kraus have been selected to work the Jacksonville sectional. Keith Parker of Granite City will team up with Robert Rees of Centralia to officiate the East St. Louis sectional.

Two GC Men Set Fish Mark

A pair of Quad-City men set a new fishing record at Fort Myers, Fla., while on vacation there, it was learned this week. Lloyd Harlow, 2109 Johnson road, and Herbert Bischoff, 1101 West Pontoon road, set a new mark for the most sheephead fish caught this season.

Fishing from off a pier, they pulled in 19 sheephead for a total weight of 64 pounds during one day's fishing.

Both Harlow and Bischoff were on an extended fishing trip in Florida, and Harlow reports that although they caught many fish, they gave most of them away.

The sheephead catch in Fort Myers was the "big one," he added.

Saluks Advance In NCAA Meet

Southern Illinois University's basketball squad will meet North Dakota tonight in semifinal action at Evansville, Ind., of the NCAA College Division tournament.

The Saluks scored a lopsided 82-70 victory over Fresno State in last night's quarterfinal action, and North Dakota nipped Abilene Christian, 63-62.

Little All-America George McNeil and Boyd O'Neale led the SIU quintet with 20 points apiece.

Lazenby Presides at Ar League Meeting

Mr. and Mrs. Calvin Lazenby Jr., local photographers, attended the 92nd semi-annual meeting of the Southern Illinois Ar League this week in Vandalia. Mr. Lazenby is president of the League.

The meeting took place Monday and a program on "direct color" was presented by Mrs. Linda Wellhouse of Grinnell, Iowa. There were also talks on "promotion ideas" and "small cameras."

A noon luncheon was served and a business meeting was conducted by the president, Mrs. Lazenby was in charge of registration.

Venice Police Seek Man Who Accosted Youngster

Venice police today were seeking a man who accosted a 16-year-old Venice boy on his way home from school, Wednesday afternoon and tried to persuade the boy to go with him. The boy told police the man was nude from the waist down.

Late Wednesday night the boy's father reported to officers that his son had told him the same man had been parked in front of St. Mark School in Venice Wednesday morning.

Legion Plans Birthday Dinner-Dance Saturday

Tri-City Post 113 of the American Legion made plans for a Legion birthday celebration, a corned beef and cabbage dinner and orchestra dance at 6:30 p.m. Saturday, during a meeting Tuesday night at the post home. The public is invited to attend. Plans also were made to attend a county meeting March 27 at Post 799 in Madison and a 22nd district convention June 4 and 5 at Waterloo.

Edgar Horton, commander, reported membership to be 362, with 38 more needed to reach 1000. He urged that the goal be met by March 27.

District officers present were Norman Biebel, state finance committee member; Elroy Ostendorf, district commander; and Harold Summers, senior vice-commander.

Curfew Charge Filed

Hubert Hall, 52, of Rural Route One, was arrested at 3 p.m. Tuesday on a charge of permitting a child to violate the curfew.

WEATHER-WORN and relatively unharmed, the aged eagle sits on a semi-trailer truck in the yard of A. H. Seebold Co. Tuesday afternoon. Carl Peters (left), superintendent for the wrecking of the old post office, and A. H. Seebold examine the hand workmanship that went into the eagle.

TRY A PRESS-RECORD CLASSIFIED AD

Chalk up one for ornithologists and sentimental eagle lovers—the national bird that stood atop the main door of the old Granite City post office for nearly 55 years, is safe.

The aged bird now sits in the yard of A. H. Seebold Construction Co. awaiting its eventual return to the site soon to be developed as a park.

Three workmen for the construction firm hammered away all surrounding stone and a crane was moved into position before the 3800-pound bird was lowered on an open semi-trailer truck Tuesday afternoon.

While the eagle sits quietly, workmen are busy completing the demolition of the old post office for the new downtown park.

Made for Inscription

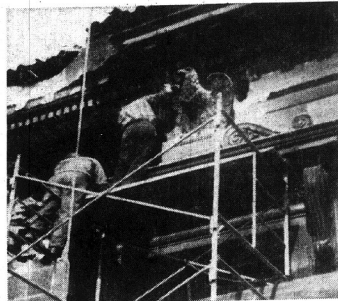

"The base of the eagle," noted A. H. Seebold, president of the wrecking firm, "is three-foot square. It also was made for a plaque of some kind to be put on the bottom with an inscription." Seebold suggested that the old federal building be remembered with an inscription on the base of the eagle, when the bird is set in the new park.

Meanwhile, his workmen are preparing to save the cornerstone of the old post office, and will have it freed this morning, according to Seebold.

The weather-worn stone bird has a wing span of 3½ feet and stands nearly six-foot tall. Seebold indicated that it cost more than \$300 to save the eagle from the shattering blows of the "headache ball."

A sort of mid-winter vacation will ensue for the eagle during the next few weeks, as it will do nothing but just sit in the construction yard. Seebold said that he has plans to sandblast the bird before giving it over to the park district.

The Granite City park district's commissioners said they will delay installation of walkways in the new downtown park, until the basement fill is settled. Barry Loman, president of the board, said, "We have been advised that it will take six months

to a year before the ground will settle properly to support a concrete sidewalk."

The park district is currently reviewing plans submitted by graduate students at SIU concerning the arrangement of trees, flowers, and benches. "We'll have flowers and some trees around the perimeter, but the rest we aren't sure of," Loman said.

Passing Charge Filed

Robert W. Mull, 2914 Palmer avenue, was arrested at 6:30 p.m. Tuesday on a charge of improper passing and lane usage at Niedringhaus and Madison avenues. He was summoned for a hearing by March 24.

Airman Frank Sellers

To Sheppard (Tex.) AFB Airman Frank G. Sellers, 22 son of Mr. and Mrs. Robert N. Sellers of 406 Edwardsville road, has been selected for training at Sheppard AFB, Tex., as an Air Force aircraft maintenance specialist.

The airman, a graduate of Granite City high school, attended Southern Illinois University.

Rate Cut to Put Maryville, Others, 'Out of Business'

Many larger communities will lose large sums of tax money under rate reduction requirements of the Hodge-Butler law, but consider the plight of the village of Maryville.

"Maryville is a conservative attorney, Harry Hartman of Granite City, will be 'put out of business.'"

So will a lot of little communities like Maryville, Hartman added.

Here's how the attorney explains it. "Maryville is a conservative community which has never had any tax problems and has kept its tax rate down to rock bottom. It's 1965 valuation was \$1,080,542 raising a maximum total income of \$7000 a year.

"Out of the \$7000, Maryville first must pay \$2870 in bond and interest payments on general obligation bonds issued in 1953.

"This leaves \$4330 subject to application of the tax scaling law. Maryville has no levy for garbage collection."

"The Hodge-Butler law will cut the balance of \$4330 to about \$1800. The village insurance bill is \$500 a year....this leaves \$1300.

"Last year the village's publication and printing costs were \$150. This leaves \$1150.

"There are five trustees who are supposed to receive \$250 each per year, a total of \$1250. "So you see, the city is out of business before we consider any further debts," Hartman concluded.

Maybe, Hartman considered, he can extend a garbage rate. It could raise the city about \$500, he said.

State Award for Park District

1800 Spectators View GC Park District's 3rd Annual Winter Carnival

An enthusiastic audience of more than 1800 witnessed the third annual "winter carnival" presented Tuesday evening by the Granite City park district, in Memorial Gymnasium. Over 500 youngsters participated in the program, which serves as a showcase for various recreational activities sponsored by the district.

One of the evening's highlights involved presentation of the first annual "recreation day" trophy, awarded by the Southern Illinois Parks and Recreation Association to the local park board in recognition of its sponsorship of the initial recreational day event held here Saturday.

Approximately 350 young people from eight communities participated in the day-long activity schedule, which included bowling, basketball, table tennis and volleyball. Facilities at Prather and Coolidge junior high schools, Tri-Mor Bowl and the park district's community center in Lincoln Place were utilized for the separate tournaments and events. Communities represented were Alton, Carbondale, Centralia, Highland, Wood River, Roxana, East Alton and Granite City.

Guests from SIU interested onlookers at the carnival Tuesday were graduate students from Southern Illinois University, Carbondale Campus, who were accompanied by Dr. William H. Ridinger, SIU professor of recreation and outdoor education, and Barney McGee, a graduate assistant. Earlier the same day, the visitors toured facilities at the community center, Wilson Park and Worthen Park, where special interest was displayed in connection with park-school district cooperation.

Three educational seminars were conducted Tuesday with Ronald Dillard, Granite City board member, presenting one session dealing with advantages to a community when close cooperation and harmony between park and school officials is achieved.

Other highlights of the winter carnival program included songs by pre-school age children; tumbling and gymnastic feats; basketball and wrestling exhibition matches; baton twirling; and several colorful square dance routines.

Trip to Washington For School Patrol

Mayor Partney is advising all Granite City school principals this week that the Automobile Club of Missouri will sponsor attendance by one local school patrol boy or girl for a trip to Washington, D. C., to participate in the National School Safety Patrol parade. Over 25,000 youngsters from all over the country are expected to participate.

School principals are being asked to select an outstanding patrol boy or girl from their school, and among the determining factors will be an essay on safety patrol duties and assignments. The deadline is March 28.

Final selection will be made by an Optimist Club committee headed by William Harris. The winner will receive an all-expense paid trip to Washington and a tour of Gettysburg. The trip by chartered bus is scheduled for May 11-16.

Heaton Heads Labor Temple for 30th Year

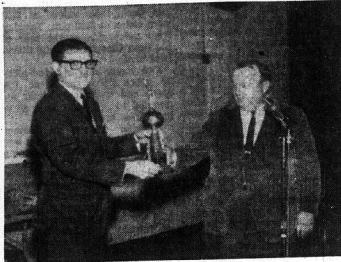

Carl Heaton, representing Local 30 of the United Steelworkers of America, was re-elected to his 30th year as president of the Tri-City Labor Temple Association during an annual meeting Monday night.

Edwin Reiske was re-elected to his 14th year as secretary-treasurer. He represents the machinists.

Others elected were Arthur Griffin, vice-president, a representative of Laborers Local 397, and Roy Logan, trustee, a patternmaker representing the Trades and Labor Council.

5 Traffic Charges Filed

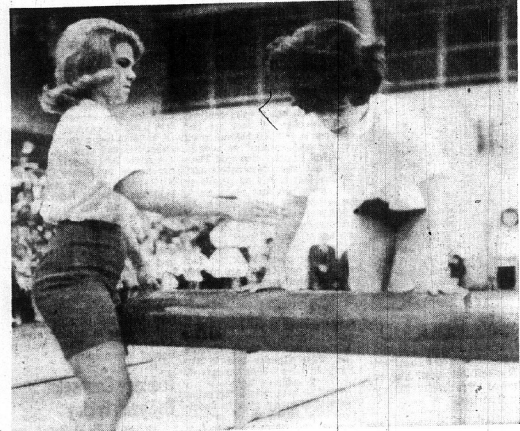

Five traffic charges were placed against Richard D. Lambert, 18, of 3724 Nameoki road, about 1 a.m. Wednesday. He was charged with passing stop signs at 23rd street and Washington avenue and at Edwards street and Nameoki road, and with speeding, reckless driving and failure to give the right-of-way to an emergency vehicle at Palmer avenue and Nameoki road. He was summoned for a hearing by March 18.

FIRST ANNUAL "RECREATION DAY" trophy awarded to Granite City park district by the Southern Illinois Park and Recreation Association being presented to Park President Barry Loman (left), by Harold Brown, park superintendent. The award was made to the district for sponsoring the initial recreational-activity day held here Saturday.

COLORFUL IRISH COSTUMES were sported by pre-school pupils who attend park-district-sponsored classes at the community center in Lincoln Place. Providing their own accompaniment with maracas and homemade rhythm-instruments, the youngsters sang several songs. Shown from left are Carol Davis, Jeffrey Jordan, Barbara Miller and Danny Phelps.

GYMNASTICS AND TUMBLING were part of the two-hour program Tuesday evening. Miss Karen Johnston, at left, lends a steadying hand to Candy Troha, who displayed her skill on the vaulting box. Advance, intermediate and beginner students presented the exhibition, also using a minitrampoline and side horse. Pete Robinson directed the gymnastic program, assisted by Bruce Thompson and Miss Johnston.

To U. S. Service Personnel

Primary Election Ballots To be Mailed by April 30

Primary election ballots will be mailed to applicants in the U. S. service by April 30, Miss Eulalia Hotz, county clerk, announced.

Absent electors in federal service and their dependents who are traveling with them may now file application for ballots in the county clerk's office.

Application forms are supplied at all military and naval installations in this country and abroad. However, the law pro-

vides that relatives, such as father, mother, wife or husband, sister or brother, may complete an application for ballot for the person in the U. S. service.

These applications will be sent from the county clerk's office in Edwardsville upon request to local relatives.

In the primary election, set for June 14, voters must request either a Democratic or a Republican ballot. The Democratic ballots will be on pink stock and the Republican on blue stock, as in past primaries, Miss Hotz noted.

No registration will be required to vote for qualified voters in the service. The law defines those in federal service as:

Members of the armed forces in active service, their spouses and dependents; members of the merchant marine of the U. S., their spouses and dependents; civilian employees of the U. S. in all categories serving outside the territorial limits of the U. S. and District of Columbia and their spouses and dependents; and members of religious groups or welfare agencies assisting members of the armed forces, who are officially attached to and serving with the armed forces, and their spouses and dependents.

The term "dependent" means a father, mother, brother, sister or child of voting age who is actually residing with or is accompanying the member of the U. S. service and is financially dependent upon the member.

16 Girl Scout Leaders To Get Certificates

Advanced first aid certificates will be presented to 16 Girl Scout leaders this evening on completion of nine weeks of Red Cross first aid instruction under the tutelage of Mrs. Cecelia Tragsel. DEMOLISHED AUTO involved in a train collision at the Maryville road crossing at 7:15 p.m. Tuesday, which Mrs. Dixie Baker of Granite City, and her daughter, Deborah June, nine, suffered fatal injuries.

GC Mother

A rectangular copper pipe, 10 1/2 inches in diameter, was found in the corner of the now dismantled old Granite City post office contained pictures, a penny and several publications along with other documents and items dated 1911.

The copper box was opened at 10:22 a.m. today by Mayor Donald Parnley while local civic leaders, businessmen, contributors and the committee of the building looked on.

Workers from A. H. Seebold Co. chipped loose the cornerstone and then hoisted it onto the sidewalk to be opened.

The top item was a program for the laying of the cornerstone, dated June 27, 1911, at Niedringhaus avenue and D street. According to the manuscript, the program began at 2 p.m. with a speech by toastmaster W. W. Hanlon.

Congressman W. A. Rodenberg gave the main address for the ceremony, and St. David's church provided the music.

Those attending the cornerstone laying were Mayor M. E. Kirkpatrick, Postmaster W. Thompson, Dr. F. E. Talley and other dignitaries.

The cornerstone itself was placed by the Rev. Eugene Lodge, and the benediction was given by Rev. W. H. Poole. The program noted that the cornerstone was set out for the ceremony.

Photos, Post Office History
Among photographs in the box were those of President Howard Taft and those of Postmaster Thompson. Assistant Postmaster Rose M. Cugler, Mayor Kirkpatrick, William E. Niedringhaus and W. J. Lynch.

A document outlining the history of the post office in Granite City was also in the box. Dated June 27, 1911, it said the first U. S. post office opened its doors in Granite City on May 28, 1882 under the administration of President Grover Cleveland.

First postmaster was Dr. J. S. Thompson. Dr. M. Cugler was appointed to fill the position at the turn of the century. A financial report giving receipts for the post office for the quarter ending Sept. 30, 1888, said the amount was \$41.22.

The post office gradually increased until the post office was raised to third-class status in April of 1902, and then second-class status in July of 1904," the historical document said.

First Mail Carriers
Also included in the history were the names of the first mail carriers, Henry Marcum and Miss Mattie Marshall. At that time there were four clerks in the post office.

Among publications in the box were copies of the "Nesco News," "The Miscellaneous," "The Granite City National Bank," the June 22, 1911, edition of the Granite City Press-Record, and the June 22, 1911, edition of the Granite City Daily Record newspaper.

A Granite City map, compliments of Granite City Realty Co., also was in the copper box. According to the map, the fare for transportation to St. Louis was five cents.

Business cards signed by Mayor Kirkpatrick and Postmaster Thompson, a sample deposit slip from the Granite City National Bank and annual reports from the Granite City Trust and Savings Bank also were enclosed.

Eagle Displayed
Today's ceremony was capped by the arrival of the post office eagle on a flat-bed truck toward the end of the ceremony.

The engineer, John Bilal, to the truck with the eagle and hauled to the Seebold construction company yard where the eagle will be cleaned and sandblasted.

Meanwhile, the box and its contents are being carefully viewed and will be kept in a safe until further plans are made.

Gov. Kerner Appoints Burnett to SWIMAPC
Gov. Otto Kerner this week appointed Eugene R. Burnett, 2243 Lee avenue, and David J. Johnston of East St. Louis, former engineer for Granite City, to terms on the Southwest Missouri Area Planning Commission. Two other men, Ralph Jacobs of Valmeyer and James E. Johnson, Columbia, also were named.

Burnett, a former Granite City police chief, presently holds the post of supervisor of employee relations at Dow Chemical Co., Inc. His appointment expires Oct. 1, 1967.

The car was knocked into a ditch by a 60-mile-an-hour Norfolk & Western passenger train at the unprotected crossing.

Tools, Gun, Cars Among 7 Thefts

In one of seven theft cases this week, tools valued at \$250 were stolen at 3:30 p.m. Tuesday from mechanics at the residence of Dr. R. W. Binney where he continued in practice for two years. His own office is at 1839 S. 190th Delmar avenue.

Several years later he moved to 1253 Niedringhaus avenue where he remained active in Masonic, religious and civic circles. He was a member of the AF&AM Lodge 877, the Jesters, Shrine, Scottish Rite Temple and the Order of Eastern Star. In his early years he was active in the Boy Scout movement and was an Eagle Scout.

He was a member of Shaare Emeth Temple in St. Louis, B'nai Brith and the Jewish Federation of Southern Illinois. He also was past chairman of the Madison County Jewish Federation and a member of the DeMolay Legion of Honor.

Medical Affiliations
Dr. Binney was president-elect of the Madison County Medical Society, a member of the Illinois State Medical Association, a member of the Academy of Proctology, a member of the Illinois State Association of Surgeons and a Fellow of the International College of Surgeons and a Fellow of the International College of Surgeons.

He also was a member of the Madison County Air Pollution Control Board, was a member of the board of directors of the Granite City Savings and Loan Association, and a member of the board of directors of Hampton Cleaners, St. Louis.

Dr. Binney is survived by his wife, a daughter, Mrs. Jacqueline Schneider of St. Louis; two sons, James and Gary G. Binney, who is attending medical college at Loyola University, Chicago.

He also leaves two sisters, Mrs. Phyllis Rokaw of Downey, Calif., and Mrs. Audrey Hood of San Francisco, and a brother, Harry Wisseman of Downey, Calif.

Stolen Auto Found
A 1966 white over red four-door auto owned by the M. H. Wolfe Co., 2201 Adams street, stolen from the firm between 12:30 and 5:20 p.m. Wednesday, was located at 10:50 last night at the 25th street railroad crossing.

A 1966 white convertible sports car owned by James Campbell, 2 Mercer drive, was stolen after 6:30 p.m. Monday from the 2200 block of East 24th street, he reported at 10:35 p.m. Monday.

It was recovered at 11 p.m. Monday on the chain of Rocks canal levee by a state trooper and was towed to a garage. It was damaged.

Thomas Lawson of the Sinclair Service station, Jill avenue and Namekook road, reported that a 1966 white Ford Mustang was stolen from a cash drawer in a desk after 7 a.m. m. Tuesday. There was no sign of forced entry.

Teenage Counselor To Speak Friday
The Rev. J. E. Tucker, a teenage counselor, will speak at the Temple Assembly of God, 1917 E. Main street, Friday evening, at 7:30, the pastor, Rev. Eugene Coe, announced today.

Tucker is a field representative of Teen Challenge USA and is under appointment as a missionary by the National Home Missions department of the Assembly of God. He devotes full time to teenage counseling and his talk will deal with beatniks, drug addicts and teenage gangs in New York City. A film will be shown.

Coin Display Planned
The Land of Lincoln coin club will hold a collectors' meeting, auction display and sale from 10 a.m. to 5 p.m. Sunday in the YMCA auditorium.

The project has a legal contract that has been signed by a consulting engineer to also look over the project. It would be a small fee, but we need it," Moerlen said.

"This overall project is important to the city, and I don't think it would be before the council — whether it would be accepted or not because of the lack of information. That's why I'm taking action today," Moerlen said.

Mayor Parnley pointed out that the application had been complete for some time ago if the committee had decided on the engineer. "I told the committee I would have a legal opinion on the validity of the engineering contract, and it was presented to you earlier this evening," he said.

Alderman Rutledge flared at Moerlen that the committee chairman is a duly elected engineer and for the post of consultant. "We've all talked this project over and no one has disagreed that we need the sanitary sewers and an interceptor sewer."

Moerlen replied that he sent Rutledge's letter to the engineer. I went to Alton to confer with Charles Sheppard of Sheppard, Morgan & Schaeffer to see what could be done about engineering for the program. I have been plugged for one single engineer. I went to Alton to talk to Sheppard about the possibility of a compromise."

Moerlen continued that he felt that engineer Juneau was not living up to the contract on construction of the sewage treatment plant.

"Why haven't you brought that before the council?" Rutledge demanded.

There was no reply from Moerlen.

Whitmer and Fry both called for complete cooperation of the council to get the job done and qualify for the federal funds.

In Burton added that at perhaps differences could be ironed out before the next regular meeting on March 21.

Select Name for Son
Norman Theodore Jr. is the name selected by Mr. and Mrs. Norman T. Adams, 580 Main street, Venice, for their son born Feb. 27, at St. Mary's Hospital, East St. Louis. The baby weighed seven pounds, six ounces.

Cardiac Patient Care To Be Topic for Nurses
"Care of Cardiac Patients" will be the topic of Dr. Herbert B. Zimmerman, a St. Louis physician, who will address registered nurses and practical nurses at 7:30 this evening in the Tri-Cor Medical Building meeting room.

The lecture is part of a series of continuing educational programs being sponsored by St. Elizabeth Hospital.

Hit-Road Accident
An auto owned by Grace Costello, 2502 Washington avenue, parked at her home, was struck in the left rear at 6:55 p.m. Wednesday by a hit-and-run driver who abandoned his car at a service station on the same street. Plans were made to file two traffic charges against the driver.

Youth Arrested, Fined
Dennis DeMontell, 17, of 2443 Myrtle avenue, was arrested at 1 p.m. Wednesday on charges of disorderly conduct and fighting at Granite City High school. He was fined \$40 and costs and was released.

"Whether the engineer for the sewer project is a compromise or the committee's stand for a consulting engineer to be hired by the city to work on the project with design engineer, Juneau. At Tuesday's press conference, the mayor pointed out that the sewer program had been developed by the SMS engineering firm, which has a valid contract with the city. "In fact, we had obtained a \$100,000 federal grant for the engineering," he added.

A Mayor Parnley also said Tuesday that the committee's contention that it had no details on the sewer program plans would be ironed out in advance of tonight's special meeting. He pointed out that each alderman has a right to voice his opinion on the program and that the nine projects being planned for the federal money would be taken up by the master program.

"We've broken it down in order to be able to separate grants for each phase, and the initial project is for the \$206,000 job of putting sanitary sewers in the area of North Granite and the Namekook area where we now do not have sanitary lines.

"The engineer is being put on priority, and then we plan to undertake the separation of sanitary sewers and storm water, and first serve the older section of the city with the storm water to go to the Namekook area. Then we will take on the separation of the sewer and storm water lines to the city," he added.

"The argument has developed that we have two legal opinions that we do. The application form calls for naming an engineer for the project, and it is necessary for this application to get to the federal agency as quickly as possible. I will meet every night if necessary to get the job done," Parnley said in concluding Tuesday's press conference.

Monday Night Sessions
Council members met in a closed door session for the first time Tuesday evening at the regular meeting to hear details on the grant application by the mayor and the engineer.

The resolution giving the mayor authority to make the application was put "on hold" by Alderman Nelson. Ordinance committee chairman.

An immediate motion for passage was made by Alderman Rutledge, but there was no second as Alderman Johnston took the floor.

Johnston said that while he favored the overall project, the committee needed more details on the priorities for the more separate projects before a recommendation could be made to the council.

Two Deferral Requests
Johnston called for deferral sessions to explain members' details" the projects.

A second deferral motion was made by Alderman Johnston, chairman of the committee.

It was then that Mayor Parnley commented.

"To do this is like voting against Santa Claus. You're turning down at least 1 to 1 1/2 million dollars."

"This means you're holding up and preventing a program to get sanitary sewers for North and West Granite."

As Moerlen tried to comment further, the mayor rapped his gavel and ordered "no further debate."

Committee Reports
The council was told by other business, and it was late in the meeting when Moerlen brought up the subject again in his report on the Special Pollution committee.

Moerlen said he realized the sentiment of the council, but he felt that the committee had no recommendations to make at this time because of lack of details.

"I'd hate to see this proposal go to the council. In the interim of this deferral, we can get the information."

"Whether the engineer for the sewer project is a compromise or the committee's stand for a consulting engineer to be hired by the city to work on the project with design engineer, Juneau. At Tuesday's press conference, the mayor pointed out that the sewer program had been developed by the SMS engineering firm, which has a valid contract with the city. Then we will take on the separation of the sewer and storm water lines to the city," he added.

"The argument has developed that we have two legal opinions that we do. The application form calls for naming an engineer for the project, and it is necessary for this application to get to the federal agency as quickly as possible. I will meet every night if necessary to get the job done," Parnley said in concluding Tuesday's press conference.

Monday Night Sessions
Council members met in a closed door session for the first time Tuesday evening at the regular meeting to hear details on the grant application by the mayor and the engineer.

The resolution giving the mayor authority to make the application was put "on hold" by Alderman Nelson. Ordinance committee chairman.

An immediate motion for passage was made by Alderman Rutledge, but there was no second as Alderman Johnston took the floor.

Johnston said that while he favored the overall project, the committee needed more details on the priorities for the more separate projects before a recommendation could be made to the council.

Two Deferral Requests
Johnston called for deferral sessions to explain members' details" the projects.

A second deferral motion was made by Alderman Johnston, chairman of the committee.

It was then that Mayor Parnley commented.

"To do this is like voting against Santa Claus. You're turning down at least 1 to 1 1/2 million dollars."

"This means you're holding up and preventing a program to get sanitary sewers for North and West Granite."

As Moerlen tried to comment further, the mayor rapped his gavel and ordered "no further debate."

Committee Reports
The council was told by other business, and it was late in the meeting when Moerlen brought up the subject again in his report on the Special Pollution committee.

Moerlen said he realized the sentiment of the council, but he felt that the committee had no recommendations to make at this time because of lack of details.

"I'd hate to see this proposal go to the council. In the interim of this deferral, we can get the information."

"Whether the engineer for the sewer project is a compromise or the committee's stand for a consulting engineer to be hired by the city to work on the project with design engineer, Juneau. At Tuesday's press conference, the mayor pointed out that the sewer program had been developed by the SMS engineering firm, which has a valid contract with the city. "In fact, we had obtained a \$100,000 federal grant for the engineering," he added.

A Mayor Parnley also said Tuesday that the committee's contention that it had no details on the sewer program plans would be ironed out in advance of tonight's special meeting. He pointed out that each alderman has a right to voice his opinion on the program and that the nine projects being planned for the federal money would be taken up by the master program.

"We've broken it down in order to be able to separate grants for each phase, and the initial project is for the \$206,000 job of putting sanitary sewers in the area of North Granite and the Namekook area where we now do not have sanitary lines.

"The engineer is being put on priority, and then we plan to undertake the separation of sanitary sewers and storm water, and first serve the older section of the city with the storm water to go to the Namekook area. Then we will take on the separation of the sewer and storm water lines to the city," he added.

"The argument has developed that we have two legal opinions that we do. The application form calls for naming an engineer for the project, and it is necessary for this application to get to the federal agency as quickly as possible. The Christian Women's Fellowship of Central Christian Church will assist with an annual Boy Scout chili supper from 11 a.m. to 7 p.m. Saturday at the church. A daytime meeting on evangelism is to be held March 31 at 9:15 a.m. at the church. Church will be served, and the guest speaker will be L. O. White. Following the meeting, the ladies will make calls on inactive members of the church. "Changing time" for ladies in CWF circles has been scheduled.

CWF members have volunteered to work one week at the Protestant Welfare office starting April 4. Blanket Sunday will be held April 24.

Robert Nelson will be guest speaker and Mrs. J. A. M. R. Craddock will preside at a state convention to be held April 24 in Centralia. Mrs. Jane Keller, Marine, Ill., Eighth District executive secretary, will lead the worship.

The April CWF meeting will take place April 14.

Cub Pack 13, sponsored by the Holy Name Society, will hold a pinewood derby April 19 at St. Elizabeth school. A turtle race between dens will be held at the March 15 pack meeting.

Summer program activities currently are being discussed. The pack recently was host to a district roundtable. The pack committee is to meet April 7.

MEMBERSHIP CLASS

A membership class for youth of Central Christian Church is being held each Saturday morning for sixth graders through high school seniors.

A project for the St. Louis Children's Home for March is to be picnic supplies, and a "chain of prayer" will be held March 26 at the church. Rev. James Craddock has announced.

The International Christian Women's Fellowship third quadrennial assembly will be held June 27 to July 1 at Purdue University, Lafayette, Ind. The 1966 assembly there is "Courage to be Christian."

A 1966 observation school will be held at the Hillcrest Christian Church, Belleville, April 22 and 23. Plans for the school have been made by the Children's Work Committee of Districts Seven and Eight of the Disciples Council of Greater St. Louis.

WEEK OF PRAYER

Women's Missionary Society "Week of Prayer" is being observed at Emmanuel Baptist Church, with services each day at 1 p.m. at the church. The topic is "Home Missions."

Vacation Bible school teachers are needed and may contact Rev. Vernon Covington, pastor, he reported this week.

MISSION SUNDAY

AT HOPE LUTHERAN A "Living Lutheran Leadership Seminar" will be held Saturday from 1 to 6 p.m. at Fischer's restaurant, Belleville.

Mission Sunday will be observed March 20 at Hope Lutheran Church and only one service will be held, at 10:30 a.m., for the morning worship. At a 3 p.m. service, Rev. Dr. Oliver R. Harris, president of the Lutheran Church-Missouri Synod, will speak.

A spring adult class will begin April 3 at 9:15 a.m. during the Sunday school hour. Members of the library committee are to be in the conference room after worship services on Sunday mornings and Wednesday evenings to take orders for confirmation books and gifts.

Protestant Welfare is asking for volunteer women to help in its storehouse a morning or afternoon during the weeks of April 25 and May 2.

An L.L.L. seminar is to be held Sunday at St. Peter's Church, East St. Louis, starting at 7 p.m.; the speaker will be Dr. A. M. Rehwinkel, and his topic will be "Highlights of My Australian and African Tour."

BRIDAL SHOWER HONORS MISS LINDA KLEKAMP

Miss Linda Klekamp was honored with a bridal shower Sunday afternoon at the American Legion Home, given by her bridesmaids, Miss Sharon Bridick, Miss Cheryl Jung, Miss Cathy Jung, Miss Janet Spaulding and an aunt, Mrs. Josephine Jung.

Games were played under the direction of the honoree's sister, Miss Marceline Klekamp of Springfield, Ill., who also entered the names of those attending in the gift book. Winners of games were awarded prizes.

A white satin skirt with white rosettes at the corners surrounded

ed the gift table, which held silver candelabras containing white candles. A tiered wedding cake on either end served as the centerpiece. After the honoree opened her many gifts, a luncheon and dessert were served to 160 guests by the bridesmaids, assisted by Mrs. Frank Nemeth and Mrs. Elizabeth Melchic, aunts of the bride.

Centerpieces on the guest tables were white and green carnations in glass vases. Favors were miniature satin pillows with rings. The buffet table held a floral centerpiece in a eth, son of Mr. and Mrs. Steve

BAND PARENTS HEAR REPORT ON CHILI SUPPER

During the Band Parents Club meeting Monday evening at the Junior high school auditorium, Mrs. Eileen Weidner, president, was in charge, and Mrs. Dina Blattner reported the chili supper showed a profit of \$373.

Prizes were awarded to Mrs. George Stagers, Mrs. Wanda Shelton, Mrs. Helen Pyles, Debbie Gravelle, Vickie Watson, Mrs. Mary Theobald, Delilah Dorste, John Grimes, Barbara Macke and H. Arnold. At the chili supper, William Ledbetter, band director, spoke of the uniform fund.

Refreshments were served by the officers, Mrs. Weidner, Mrs. Helen Mangoff and Mrs. Ruby Blum. The next meeting will be held April 4.

Women of the First Baptist Church met at the church Monday to observe the Week of Prayer.

Mrs. Dellah Garret, chairman, presented the program "Witnessing in the Great City." The service was aided by Mrs. Jewel Ratliff and Mrs. Doris Macklin and prayers for the missionaries followed the topic. After a pot luck dinner, the women rolled bandages for missionaries in Ghana during the afternoon.

Those taking part were Mrs. Ora James, Mrs. Chloe Maxon, Mrs. Ruth Caldwell, Mrs. Birdie Hobbs, Mrs. Gladys Patterson, Mrs. Lucy Bond, Mrs. Mildred McDaniel, Mrs. Helen Brown, Mrs. George Brown and guests, Mrs. Gusta Pender, Mrs. Ann Webb, Mrs. Madie Gessell, Mrs. Margaret Stuart and Mrs. Evelyn Stark.

BIRTHDAY HONORS FOR TERRI TAYLOR

The seventh birthday of Terri Taylor, daughter of Mr. and Mrs. Paul Taylor, was observed with a party held in the Taylor home, 2031 Beckwith avenue, Sunday afternoon. Games were played with prizes awarded to the winners.

Mrs. Taylor presented each guest with favors, horns and candles, and Terri received a number of gifts which she opened. The decorated cake was served with refreshments to Donelda Gibbs, Sonnie Sellers, Janet Redman, Mark Townzen, Rose Mary Vinson, Carol Mayes, Maglyn York, Jim Hancock, Danny Hancock, Ricky W. Keford, Deborah McIntyre, Mary Stevens, Robert and Rebecca Hall, Kathryn and Billy Lewis, Paulette, Deborah and Billy Decker and Gary Taylor, brother of the honored guest.

ROBERTA PAPA IS TEN YEARS OLD

A party was held Sunday afternoon in the home of Mr. and Mrs. Robert Papa, 1808 Fourth street, celebrating the 10th birthday of their daughter, Roberta. Gifts were presented to the birthday girl by Sylvester Jurczyk, Miss Marie Call, Joseph Papa and daughter, Jennifer, Mr. and Mrs. William Papa and sons, Brian and Billy, Mr. and Mrs. John Papa and sons, Frankie and Johnnie, George Papa, Mr. and Mrs. Rudy Papa and daughters, Diana, Jill, JoEllen and Beth Ann and John Papa, the honoree's brother, and Mrs. Helen Papa, her grandmother. Refreshments were served, and games were played by the boys and girls.

MARSHALL CUB PACK ACTIVITIES PLANNED

A committee meeting was held Monday evening for Cub Pack 17, sponsored by Marshall school PTA, with Cubmaster Harold Cavins presiding.

Plans were made for the March theme, "Knights of the Round Table." Helicopters and shields are to be made by the boys at their den meetings as the month's project. These will be displayed at the next pack meeting March 28, when competitive sports also will be performed by the boys. The winners will serve refreshments for the evenings.

Renewal of the charter for next year was announced, the officers being Cavins as cubmaster, Earl Husted assistant cubmaster, Mrs. Marsha Thompson secretary-treasurer, Ronald Dillard PTA representative, and the den mothers, Mrs. Jackie Dillard, Mrs. Beverly Nunn, Mrs. Christine Juedemann and Mrs. Fern Ahlhor.

Tentative plans were made for a trip to Grant's Farm in April. Robert Nunn was among those present.

The next committee meeting will be April 4.

YOUTH ROLE IN CHURCH DISCUSSED AT WORKSHOP

Larry Steyer, minister of education at Trinity Lutheran Church, Mission, Kan., now on a leave of absence for study at Concordia Seminary, St. Louis, was discussion leader for a group of parents and d congregational officers Sunday at a workshop at Hope Lutheran Church. The workshop explored ways of ministering with and to young people in the parish.

The afternoon workshop, Steyer said youth today is interested in meaningful experiences. When they withdraw from congregational life, it is often because they sense a false atmosphere which adults will not express even if they recognize it; furthermore, youths want to be in contact with adults, he said.

A young person of 15 may be called upon to make more decisions in the broad field of morals than his grandfather did in a lifetime, Steyer noted; contrary to the impression some times given, young people want and need adult guidance.

The workshop was planned by the Education Committee of the congregation and was developed by Vicar Donald Husted as a means of enlisting a closer relationship between adults and youth in the congregational life. The evidence that youth work can be thrilling, Steyer cited his own experience with six different youth groups involving 300 young people.

PEACE LCW MEETING

A monthly meeting of the Lutheran Christian Women of Peace Lutheran Church was held Monday evening at the church, due to Lenten services being held each Wednesday evening at the church until Easter. The evening was opened with a devotion by Mrs. Florence Bellingier.

Mrs. Rachel Larsen, president, discussed the business meeting, receiving reports from Mrs. Barbara Wright and Mrs. Rose Martin. The program was a film on Martin Luther, shown by Mrs. Carol Larson.

A field trip to St. Nicholas Greek Orthodox Church in St. Louis made earlier by 14 members and five guests was discussed. The evening concluded with a dessert luncheon served by hostesses for the month, Mrs. Doris Walsh and Mrs. Mariott Shocker, to those named and guests. Mrs. Helen Franden, Mrs. Helen Collins and Miss Mary Candler.

A project for underprivileged children at the Lutheran day Nursery in East St. Louis was discussed. Playclothes and toys, and further plans will be made at the April meeting.

A weekly meeting was held Monday afternoon by Don Thre of Cub Pack 13, sponsored by the Holy Name Society, with the den mother, Mrs. Louis Brown, 2211 Manley avenue. Opening flag ceremony was by Joe Ann and Mark Brusatt, and Robert Rapp led the pledge of allegiance. The boys formed the living circle and recited the creed. They worked on costumes as promised, led by Brad Richards, knights of King Arthur's court, and will participate in a "battle royal" at the next pack meeting March 15.

Refreshments were served by the den mother with the assistance of Mrs. Ray Ann Brown and den mother. A pinewood derby kit was given to each cub. They were asked to solicit old clothing in April. Also present were Tom Beatty, Gary Kaseberg, Jeff McIlroy, Dan Seel and Robert Vapp.

CANASTA CLUB MEETS

Mrs. Verlyn Vollmer, 1521 Ponton road, entertained members of her Canasta club in her home Tuesday. The evening was spent playing canasta, and prizes were awarded to Mrs. Mary Hogan, first; Mrs. Becky Farish, second; Mrs. DeArle Smart,

third; and Mrs. Fern Wright, low score.

The hostess served a luncheon to the prize winners and Mrs. Vellamie Tucker, Mrs. Maria Naeve, Mrs. Caman Allen and Mrs. Charlotte Jercenovic.

Mrs. Wright invited the club to her home, 3213 Rodger avenue, March 22.

SENIOR SCOUT VISIT

Girl Scout Troop 138, sponsored by Maryville school, gathered Monday afternoon at the school for a weekly meeting, opening with the pledge and promise. The girls formed patrols and discussed future work they will do on various badges.

A senior scout, Christina Louis, who attended the roundup in Idaho last summer, told her activities there, explained the "Promises in Action" and showed souvenirs made at the roundup. She was invited back and was asked to bring other Senior Scouts with her to teach the troop new scout songs.

BROWNIE ELECTION

Brownie Troop 414, sponsored by Marshall PTA, met Tuesday afternoon with the leader, Mrs. Lorraine Dix, 2702 Buxton avenue, for the weekly meeting. The retiring president, Carol Antion, led the pledge and promise. Election of officers for the month was held. Elected were Christi Clark, president, and Cindy Gagle, treasurer.

JoAnn Warren and Terri Dix were crowned as March birthday princesses. A Brownie ring was formed to discuss making "bunnie boxes" which will be filled with goodies for the Brownies for Alton State Hospital at Easter. Plans for a discovery hike to be held during the next meeting were made.

The meeting closed with singing of "Taps," and the birthday princesses served. The troop sang "Happy Birthday."

Also present were Faith Crawford, Mrs. Hoover, Cheryl Valt, Mrs. Nunn, Beverly Werner, Kathy Nunn, Beverly Werner, Debra Husted, Peggy Landreth, Patricia Pickard, Diane Scrump, Mary Kay Smith and Cathy Elmore and Mrs. Virginian Cantlon, co-leader.

A committee planning meeting for Cub Pack 24, sponsored by Frohardt PTA, was held in the home of committee chairman, Charles Brooker, 3719 Ruth drive, Tuesday evening.

Plans were made for the April theme, "Mother Nature's Back Yard." Harry Tongay, assistant district commissioner, presented ideas for the coming month.

J. R. Shanks, cubmaster, discussed final plans for the March 16 pack meeting at the school, the theme being "Knights of the Round Table."

Mrs. Gail Broecker, den mother, served refreshments to the above and other den mothers present, Mrs. Barbara Shanks and Mrs. Mary Cooke.

BRIDGE MEETINGS

A weekly session of the Granite City Duplicate Bridge club was held Sunday evening at the Elks lodge, the winners being Sam Meyer, first, Olo Kalert, second, and Bruce Evans of New York, third.

On Monday morning, a weekly session of the Nameoki Duplicate Bridge club was held in the home of Mrs. Sam Meyer, 2832 Yale drive, the winners being Mrs. Joyce Barnes and Mrs. Helen Meyer, first, Mrs. Betty Osterle and Mrs. Marie Hoff, second, and Mrs. Elizabeth Tiller and Mrs. Donna Schaefer, third.

Both clubs will meet again next week. The public is invited to attend either or both sessions.

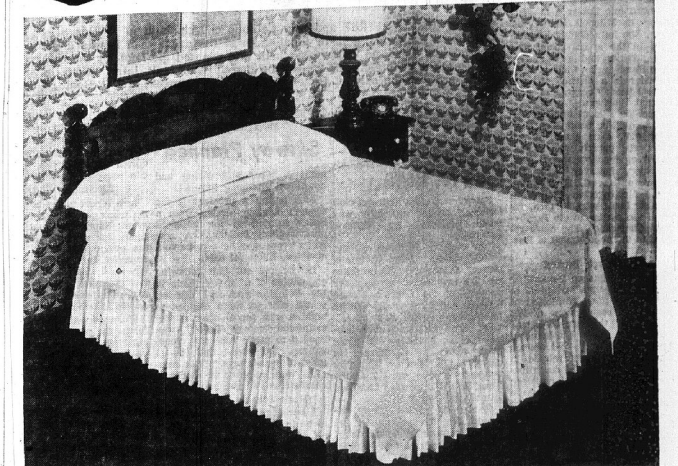

Youth Meeting at Madison Methodist Church

A Tri-Cities Methodist Youth meeting will be held at 7:30 p.m. Monday at the First Methodist Church in Madison. The program will be given by Bill Weston and a party from the "Youth for Christ" in St. Louis, the church pastor, Rev. Eugene Beasley, has announced.

Newland, Indicted in Scandal, Disappears

Carl F. Newland, former Granite City minister who is under indictment in Missouri, has disappeared for a second time, this time from his new \$27,500 home in Galesburg.

Newland, former president of the Presidential Investment Co. involved in an insurance case scandal, left before an arrest warrant could be served. He is charged with theft by deceit of company funds.

Newland first disappeared from his Kansas City home while a grand jury was investigating the case about Jan. 19. He was found two weeks ago in Galesburg but was last seen on March 2 when he visited a Galesburg night club with three friends, it was reported.

and Barron, Floyd Ashoff, Neil Wheeler, Earl Arnold and Otto Kreher.

Plans were made for a camp out this weekend.

Boys present were Billy Hicks, Glenn Ashoff, Danny James, Steve Meador, Peter Fourcault, Danny Fourcault, Vaughn Waigh, John Harper, Danny Daiger, Jimmy Hicks, Billy Barron, Roger Daiger, Danny Kreher, Mark Reyer, Willie Arnold, Freddy Biggs, Jim Cox, Bill Thomas and Jim Aubushon.

Richard Jones, son of Mr. and Mrs. Richard Jones, 4145 Highway 111, entered St. Elizabeth Hospital Wednesday to undergo tests.

Nameoki Township Asks Sewer Grant Of \$106,250

Nameoki township is preparing an application for a federal grant of \$106,250 for construction of the proposed State Park Place sewerage system and sewage treatment plant. Harry Briggs, Nameoki township supervisors, announced today.

Preparation of the grant request was begun after Briggs received application forms from the Federal Housing and Urban Development Agency. The forms were requested about a month ago after construction costs for the sewer treatment project were completed.

Estimated cost of the sewer lines and treatment plant has been set at \$257,000. Since this federal grant does not include participation in construction of treatment plants, the township may apply only for its proportionate share of the construction cost of the sewer lines and mains, Briggs explained.

The township bond issue required to pay the balance of the cost will be set at \$145,000, according to the supervisor who pointed out that this will be supplemented by tax-in fees.

No action will be taken toward approval of ordinances for sale of revenue bonds until definite word is received of federal action on the requested grant. Briggs said the bonds can be sold without a referendum unless State Park Place residents petition for one.

Man Pleads Guilty; Two Trials Continued

Amos Jones, 35, of 117 Slough road, Venice, pleaded guilty Monday to an aggravated battery count in an indictment charging attempt to commit murder. The pleading was made during a criminal trial setting of circuit court at Edwardsville.

He was charged in connection with the shooting of Mrs. Eva Gardner, 32, of 1017 Calhoun street, on Nov. 26. He asked for probation, and a hearing was set for March 23.

In other cases, trials for Robert E. Garner, 32, of 1619 Delmar avenue, and Charles T. Howland, 22, of 1914 Edwardsville road, were continued until April 11 as their attorneys withdrew from the two cases. The court assigned Robert Trone, public defender, to represent them.

Garner is charged with attempted murder for trying to shoot several Madison policemen from his jail cell last October. The gun misfired. Howland, who was in the same cell at the time, is charged with burglary at the Arnette Pattern Shop in Granite City on Jan. 1.

Walter H. Rowland, 26, of 1723 Edison avenue, charged with murder in the fatal shooting of Jerry Thompson, 23, of Union, Ky., on Feb. 28, was bound over to the grand jury Tuesday by Magistrate Joseph Kelleher in Edwardsville. He is being held in the county jail without bond.

The Friendship class of Second Baptist Church met Monday evening in the home of Mrs. Mary Sharp, 3623 Lincoln avenue. Opening prayer was given by Mrs. Sue Leslie.

The president, Mrs. Betty Harvengt, was in charge of the business session. Reports were received and an offering was taken. Group captains chose new groups for the following months and plans were made to send cards to absentees.

Mrs. Maxine Dacus, a guest, gave the devotion, "Trouble." Project of the month is to purchase a book for the church library.

Mrs. Melva Roberts, substitute teacher, was presented with a birthday gift from the class. Closing prayer was given by Mrs. Elsie Sturdivant, teacher. The next meeting will be with Mrs. Shirley Mayberry, 1367 Norwood drive.

Refreshments were served to the above and Mrs. Virginia Kidwell and Mrs. Barbara Elmore.

The Sunshine class of Second Baptist Church met Tuesday in the home of Mrs. Mary Finnell, 2235 Bryan avenue. The theme song "Heavenly Sunshine" was sung by the class.

Opening prayer was given by Mrs. Florence Shaver, and the devotion by Mrs. Evelyn Smith, teacher. Plans were made to give an offering for home missions and to send gifts to shut-ins. A fellowship supper will be held at the church for the next meeting.

Newsprint Price Up

\$10 A Ton April 1

A \$10 per ton increase in the price of newsprint was announced Wednesday by Abitibi Sales Co., supplier of newsprint to the Press-Record. The increase, which amounts to approximately 8%, is effective April 1.

Reasons given for the price increase included higher wages and other operating costs, as well as substantial investments to increase production to meet higher consumption demands.

held at the church for the next meeting.

Closing prayer was given by Mrs. Louise Mitchell. Refreshments were served to Mesdames Ethel Cox, Florence Shaver, Esmeralda, Dorothy Barnes, Ruby Harper, Steffie Lizar, Louise Mitchell, Rosemary Wilson, Gladys Hudgens, Evelyn Smith and Norma Rains. Miss Irene Broadway and guests, Mesdames Paulette Humphrey, Alay Richards, Verne McClain and Myra Grote.

The Friendly Circle class of Dewey Avenue Methodist Church met Tuesday evening with the president, Mrs. Virgie Settle, in charge. Opening prayer was given by Mrs. Lucy Testerman, and roll call was answered with Scripture.

Mrs. Elsie Staggs gave the devotion, "Lent's Challenge." Hostesses, Mrs. Margaret Townsend and Mrs. Settle, served refreshments at tables decorated in a St. Patrick's Day theme to Mesdames Lydia Atkinson, Lora Hancock, Viola Brooks, Madona Shaw, Grace Lensing, Gladys Pittolo, Staggs and Testerman.

SOCIETY

St. Mark's PFA Plans Picnic

At a regular meeting of St. Mark's Parents and Friends Association Tuesday evening, Mr. and Mrs. Bernard Cicio were appointed chairman for a family picnic to be held in Lee Park at the end of the school year.

Serving on the committee will be Mr. and Mrs. Larry Bilbey and Mr. and Mrs. Sam Mangi.

A report was given on a social by Mrs. Hattie Mulnik. The group was entertained by Girl Scout Troop 309 of St. Mark's, assisted by Barbara Mulnik, Mary Alice Mulnik and Johnnie Bonk. Program for the evening consisted of Irish folk dancing and singing.

All mothers of girls in school are being urged to attend the picnic. The firm previously handling the uniforms has notified the association that it no longer has a uniform department.

The PFA has been asked to prepare and serve lunch for the CYO on its day of recollection, April 3, Palm Sunday. Refreshments were served to all hostesses for the April meeting will be Ruth Williams, Florence Durer, Pat Fields, Mary Dixon and Jeanette Ward.

June '41 Class Plans Reunion

Tentative plans have been made for a 25th reunion of the June 1941 class of Granite City high school.

Mr. and Mrs. John Gordon, both members of the class, were hosts in their home, 3132 Colgate place, for the first meeting of the planning committee last night.

Letters will be sent to all members now living in other cities informing them of the reunion after final details have been worked out. Others residing here will be advised later where tickets may be purchased.

Any member of the graduating class, or anyone who should have graduated is asked to contact Mrs. Wilma Parmley at TR 7-0281 after 7 p.m. for further information.

Others attending the initial meeting were Mrs. Evelyn Glazik, Mrs. Eloise Stodnick, Mrs. Vyvonne Durbin, James Hays, John Toth and Newell Danner.

Demo Women Elect, Install

The Granite City Democratic Women's organization met last night at the Rose Bowl and elected the following officers for the coming season:

Mrs. Bernadine Hagnauer, president; Mrs. Thelma Morris, vice-president; Mrs. Vera Logue, secretary; Mrs. Mary Ann Terrell, assistant secretary; and Mrs. Dorothy Krismann, treasurer.

Mrs. Agnes Barucnia is the retiring president. A gift was presented to Mrs. Barucnia, and a smorgasbord dinner was served to 50 members. The new officers were presented with corsages.

Emerson PTA Elects Officers

Officers for the coming season were elected Tuesday evening at a meeting of the Emerson school PTA. They were Mrs. Linda Leggett, president; Mrs. Laura Boyd, vice-president; Mrs. Jane Regan, secretary; and Joseph Robertson, treasurer.

The meeting, attended by about 90 members, was conducted by the retiring president, Mrs. Pat Walton.

Re: Gus Falter, a sixth grade teacher at the school, led the devotional service, and winners of individual prizes in the recent candy sale were Mike Baugh, Patty Morris and Diane Heck. Other awards went to Rev. Falter's room and the fifth grade room of Mrs. Evelyn Burnisky.

The flag ceremony was conducted by Girl Scout Troop 373, and Brownie Troop 282 also provided entertainment.

Refreshments were served after the meeting.

B&PW Elects New Officers

A report was made by the nominating committee, Miss Dorothy Davis, chairman, and new officers were elected last night at a meeting of the Granite City Business and Professional Women's club at the Illinois Power Co. office.

The slate includes Mrs. Helen McAnally, president; Mrs. Florence Read, first vice-president; Mrs. Ruby Jackson, second vice-president; Mrs. Martha Rochester, recording secretary; Mrs. Mary Simon, corresponding secretary; and Mrs. Rebecca Slater, treasurer.

Dr. Felicia Koch, Mrs. Opal Duvall were named to the board of directors. The club made plans for Business Women's Week March 20-26. The club will attend church services on Sunday and among the events planned for the week will be a card party and fashion show at the Elk's Club on March 24. There will also be tours of Owens Illinois Glass Works at 2 p.m. March 20, and S.U.S.W. at 3:30 p.m. A 12-15 luncheon will be held at the Colonial Super Club.

Also on the agenda were plans for a booth at the Nameoki Village Shopping Center to raise funds for the club's charitable and civic organizations which serve the community.

Mrs. Verna Lengyl, Mrs. Jackery, Mrs. Helen Buschhoff, Mrs. Dolores Allen, Mrs. Read and Mrs. McAnally were delegates appointed to attend a state convention in Peoria April 21-23.

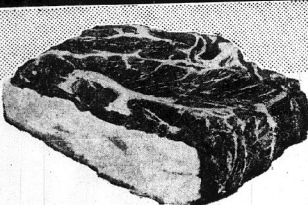

AUXILIARY PLANS INITIATION CEREMONY

American Legion Auxiliary of Post 113 met last night and Mrs. Dorothy McCain presided and announced an initiation of new members of the Past Presidents Club to be held April 27.

A flag was donated to the Girl Scouts of Troop 275 of the New-ringham school, and will be presented Friday evening.

An invitation was extended to all auxiliary members to attend a corned beef and cabbage supper and dance Saturday evening. "White elephant" prizes are to be brought to the next meeting.

In games, prizes were won by Alma Klaus, Helen Qualls, Dorothy McCain, Aida Dushong, Ella McKittick and Loretta Gaeffer. Hostesses were Mrs. Dushong and Mrs. Ethel Petri.

SOCIETY

Hilltoppers Club Sees Church Films

The Hilltoppers Club of St. John United Church of Christ met Tuesday afternoon at the church.

A short devotional service was held, and Rev. Paul Sorbey, assisted by Wesley Dudley, entertained the group with movies of previous events, including the dedication of the Youth Center, the 10th anniversary banquet at the church, a confirmation reunion, razing of the old parsonage, the dedication of the new parsonage and other important events.

The hostesses, Mrs. Ella Flaxbeard, Mrs. Laura Flach, Mrs. Talke Becker and Mrs. Mike Branscomb served refreshments to 32 members.

BAND PARENTS PLAN ANNUAL TAG DAYS

The Granite City Band Parents Association met Tuesday evening at the high school with Bernard Shepard, president, in charge.

Plans were made to hold the annual tag days on April 7, 8 and 9 and a rummage sale early in the spring. The band students will leave March 17 for Kansas City, Mo., to take part in the program the following evening of the National Music Educators convention.

Hostesses at the meeting Tuesday were Mrs. Robert Yaeger and Mrs. Charles Landis.

GABRIEL SHRINE WILL ELECT OFFICERS

Gabriel Shrine 78, White Shrine of Jerusalem, will hold an election of officers and a memorial service in connection with a meeting at 7:30 o'clock this evening at the Masonic Temple.

All committees will also be held at the meeting.

Mrs. Cora Hettick is worthy high priestess of Gabriel Shrine and Delbert McKissick is watchman of shepherds.

Nursing Home Project by Class

The Ruth class of Third Baptist Church held a monthly meeting Tuesday evening in the home of Mrs. Nedra Black, 292 Lynch avenue. Mrs. Juanita Brown opened the evening with prayer, and the business meeting was conducted by the president, Mrs. Irvin Graklanoff.

Mrs. Brown announced a Sunday school contest between three churches of the church during March, April and May. Points will be given for visitations, new members and 100% attendance.

Mrs. Julia McLean, missionary chairman, asked the members to make more cancer bandages for Ghana. Sewing needs were brought by the members for the March project. The April project will be making bibs out of tea towels for a local nursing home.

Mrs. Graklanoff gave the devotion and also read a poem, "Smile." Reports were received from group captains, and Mrs. Black closed the meeting with prayer.

A game was played under the direction of the hostesses, and Mrs. Thelma Peterson, Mrs. Black served a dessert luncheon. Mrs. Delores Schutzenhofer, Mrs. Blanche Blake and Mrs. Jerry Short.

The April 12 meeting will be held in the home of Mrs. Margaret Wilmsig, 2010 Ponton road.

50th Wedding Anniversary For Mr. and Mrs. Grimes

Mr. and Mrs. Virgil V. Grimes, 111 Abbott street, Venice, observed their golden wedding anniversary this week at a family party, celebrating the event with a dinner at the Rose Bowl restaurant.

Mr. Grimes is 70 years old and his wife is 66. They were married in Granite City on March 7, 1916, and have lived in this area since that time. They are parents of seven children, two of whom, a son and a daughter, are deceased.

Before retiring about five years ago, Mr. Grimes was employed as a railroad and at the American Steel Foundries.

The couple has 32 grandchildren and nine great-grandchildren.

All of the family reside in the Quad-Cities.

Their children, who were present at the dinner with their families were Mr. and Mrs. Lester Grimes, Mr. and Mrs. Gene Grimes, Mr. and Mrs. Ralph Koelker, Mr. and Mrs. Fred Rumpf, Mr. and Mrs. Willis Stovall, Mr. and Mrs. Thomas Grimes, Mr. and Mrs. John Neal.

Their children are Lester Grimes, Mrs. Gene (Rosalyn) Grimes; Mrs. Ralph (Grace) Koelker; Mrs. Fred (Alice) Rumpf; and Virgil (Grimes) Grimes. Others present were Mr. and Mrs. Willis Stovall, Mr. and Mrs. Thomas McKoskey and Mr. and Mrs. John Neal.

WCS Planning Future Events

The March meetings of the Women's Society of Christian Service of Niederrhous Memorial Methodist Church was held Tuesday evening.

The program was given by Charity Circle and Mrs. Demova Beasley, leader, had the lesson.

Mrs. Harold Briggs, president, conducted the business session and announced several coming events, including Holy Week services to be held April 1 to 8 and the district WCS meeting March 14 at the Nameoki Methodist Church which several of the members are planning to attend. The annual conference of the Women's Society of Christian Service will be held at Union Methodist Church in Belleville on April 28.

The local society is contributing Easter eggs to the Neighborhood House in East St. Louis as a spring project.

Peace Circle, Mrs. Minnie Frohman, leader, was hostess for the evening, and refreshments were served to about 40 members.

WOMEN OF MOOSE PLAN BUS TRIP

The Granite City chapter of the Women of the Moose met last night with Senior Regent Gladys Markovich in charge.

Mrs. Virginia Knipping, Moose-haven chairman, introduced the speaker, George Lipscomb, who discussed "The Growing Moose-haven" and the newly planned Moosehaven Health Center.

Announcement was made of an executive meeting for officers to be held in Centennial on Sunday, and plans were completed for a bus trip to Decatur on March 26 when the local chapter will have a part in the ritual ceremony.

This is a three-day March 26-27 conference. The Granite City Chapter is one of five honor chapters in the state.

After the meeting, a skit was presented by Mrs. Virginia Severs, Mrs. Knipping, Mrs. Agnes Roderick and Mrs. Mildred Eachman.

Each member was presented with a souvenir of the Mardi Gras in New Orleans and lunch was served. Mrs. Marion Lipscomb, Jay Kahn and Mrs. Evelyn Teator.

Scout Program For Dunbar PTA

Girl Scout Week observances were combined last evening with the March meeting of Dunbar School Parent-Teacher Association. More than 100 parents, Girl Scouts and their guests saw films which described activities at the "1965 Girl Scout Round-up," Mrs. Arlene Brinkmeyer and Mrs. Shirley Brown narrated the sequence.

A flag ceremony, song festival and other entertainment were provided by members of Brownie Troop 135, led by Mrs. Hilda James; Junior Girl Scout Troop 742, directed by Mrs. Jewel Barnes; and Cadette Troop 798, supervised by Mrs. Mabel Dandridge.

Highlight of the meeting was an investiture ceremony for a new senior Girl Scout troop, formed under the sponsorship of the Women's Achievement Club at Madison. Mrs. Anna Terrell Wilson was introduced as leader of the new group.

Reports were heard on church tending by all troops Sunday, and the girls were reminded of a tree planting ceremony to be held at Lee Park, Venice, starting at 1 p.m. Saturday.

A past PTA president, Mrs. Josephine Fletcher, presided in the absence of Mrs. Rosie Parnell, who was ill. The former expressed the unit's appreciation to the visiting leaders and the three troops for an excellent program. A social hour with refreshments concluded the evening.

Tucker, Nadine Harrison, Dorothy McElvey, Charlotte Damsel, Jean Murphy and Lila Sanders.

Concordia Group Holds Meeting

The Ladies Aid Society of Concordia Lutheran Church met Wednesday in the parish house with 35 present, including two guests, Mrs. Jerry Guenther, a former Concordia member, and Mrs. Alex Guenther, president of Circuit Four, Lutheran Synod of the Missouri Synod.

Luncheon was served at the noon hour and a business session following was conducted by Mrs. Vernon Ernst, president, who offered the opening prayer.

Mrs. Guenther entertained the group with slides of the national convention held in San Diego, Calif., and spoke of various projects planned for 1966.

Reports of committees were heard and other business was discussed. The meeting closed with the Lord's Prayer in union.

Maryville PTA Elects Officers

Officers were elected at a PTA meeting Tuesday evening in the Maryville school building.

The PTA prayer and pledge of allegiance were led by President Del Groothuis, who then presided over the business meeting.

For the coming year, those elected were: Groothuis, president; Mrs. Velma Gruen, secretary.

For the coming year, those elected were: Groothuis, president; Mrs. Mary Church, vice-president; Mrs. Susan McGowan, secretary; and Mrs. Loretta Groothuis, treasurer.

Guest speaker, Mrs. Sally Sowell, director of the Granite City Child Guidance program, presided over the program which concluded with prayer by the president, Mrs. Leila Kohlberg.

The theme for the day was "So Send I You."

A noon-luncheon was served to the guests, and a business session was held.

The board will meet April 12 and a special meeting for mothers will be held May 5 to complete plans for the school picnic.

The next PTA meeting will be held in the Maryville school building on "Counseling, Guidance and Mental Health—District Wide."

Mary-Martha Class Meeting

The Mary-Martha Class of Grace Baptist Church met Tuesday afternoon in the home of Mrs. Lola Miller, 2301 Kirkpatrick home.

After the class song, and prayer by the president, Mrs. Dulcie Schepers, Mrs. Miller led the devotional service on the topic "Friendship of God." The members responded to roll call with Bible verses.

Reports of the secretary and treasurer were given, and a gift was presented for home missions.

Mrs. Leta A. Schroeder had the closing prayer.

The hostess, who was hospitalized recently, was presented with a "sunshine" basket, and Mrs. Vivian Shanker, a March birthday member, received a shower of handkerchiefs from the group.

Refreshments were served to those mentioned and to Messrs. Parker, Alma Dorway, Myrtle Lazenby and Virga Green.

Garden Meeting At Ernst Home

Mrs. Irma Ernst of Sunny Dell Acres entertained the Thorngate Garden club in her home Tuesday afternoon. She served a desert luncheon, using a floral centerpiece on the table.

Members answered roll call by showing a miniature floral arrangement they had made.

Mrs. Evelyn Lau, president, conducted the business meeting, receiving reports from Mrs. Geneva Paul, secretary, and Mrs. Mary Marcum, treasurer.

Mrs. Lau was presented a past president's pin on her second year in office.

Yearbooks were distributed for the spring year and a "white elephant" sale was held. Auctioneer was Mrs. Wanda Kincaid. Also present were Mrs. Lillian Delps, Yvonne Guth, Ida Hanfelder, Caroline Moser, Beula Miller, Pat Foley and Clara Schullinger.

The April 12 meeting will be held in the home of Mrs. Ernst, both Lavelle on St. Thomas road.

COLLEGE STUDENTS HOME

Miss Sue Mueller was home through Sunday. She attends Eastern Illinois University, Charleston, and is the daughter of Mr. and Mrs. Ervin Mueller. Their son, Ervin Jr., also was home from Purdue University and returned Sunday.

Miss Sandra Merzike went to Shreveport, La., and returned Sunday.

Horsehoe Bend volunteer fire department officers held a work night and officers' meeting at the home of Ervin Muller Monday evening.

Voting night will be held March 31. Polling places will be at the Horsehoe Lake Rod and Gun club from 8 p.m. to 8 p.m., and at the home of Mr. and Mrs. Charles Payne from 2 until 6 p.m. Cake, coffee and soft drinks will be served at the club after the meeting.

Officers attending were Mr. and Mrs. Jerry Borger, Mr. and Mrs. Ervin Mueller, Mr. and Mrs. Joseph Robinson, Don King, Richard Slecka, Charles Payne and Clarence Mains.

MRS. MUELLER, HOSTESS

The ladies' auxiliary of the Horsehoe Bend fire department met Wednesday at the home of Mrs. Eva Mueller. Plans were made for a fish fry to be held Friday at the American Legion hall.

Also planned was the next meeting, to be held at Mrs. Jackie Dickinson's home April 6. Those who attended were Mesdames Joan Mains and sons, Kenny and Tony, Jackie Dickinson, Darlene King and son, Don, Edna Jost and daughter, Dawn, Eva Mueller, Georgia Borger, Eileen Robinson and Icy Adams.

GUN CLUB ELECTION

The Horsehoe Lake Rod and Gun club held a monthly meeting and election of officers Sunday.

Those who took office were: president, Edward Hindrick; secretary, John Moran; treasurer, Virgil Layton; sergeant-at-arms, Joseph Robinson; judge master, Harold Ford; trustees, Marion Owens, Walter Rule, Art Orphan, Steve Kaman, Charles Ludwig, Don King and Larry Davis.

GC Council Votes to Annex Jr. High Site

Annexation of a 20-acre tract for the school district's new junior high school building at Pontoon and Cargill will be approved Monday night by Granite City council members.

The annexation ordinance is to be filed with the county recorder at Edwardsville.

The school tract also lies in a 200-acre area sought for annexation by the village of Pontoon Beach. Earlier Monday in Edwardsville, a hearing date was set for 10 a.m. March 28 in the circuit court at the county seat to determine the validity of the village petition.

Two weeks ago the Granite City school board petitioned the city of Granite City for annexation of the school site in order to

get a sanitary sewer connection.

The sewer tap-on OK'd. The sewer tap-on also was approved Monday night by Granite City council members. A contract is to be prepared.

The area in contest lies between the present boundaries of Granite City and the recently formed village, and no one of authority would hazard a guess as to the outcome of the double bid for the area.

An annexation request by Peace Lutheran Church, 2650 Stratford lane, for its 4.5-acre site, was referred to the city attorney for study and preparation of an annexation ordinance.

Approved by the council was an amendment to the city's fire code to require two exits for each unit in an apartment house.

A second exit for those units not on the ground floor may be a balcony. The exits in old and new apartments are to be as far apart as possible, the amendment specifies.

Placed on first reading were amendments to the zoning code to permit construction of apartments in the 2500 block of Washington avenue and for a million dollar duplex dwelling and apartment development in Briarcliff subdivision.

Also on first reading is a zoning code amendment that would permit professional offices to be located in residential areas along major, four-lane thoroughfares. The amendment specifies that no merchandise is to be sold or size and location of advertising signs.

The Lancers Evangelistic Gospel Trio from Memphis, Tenn., began a revival meeting Wednesday evening at the Tri-City Park Tabernacle, 12th and Meridian streets.

Services will continue tonight, Friday and Sunday. The public is invited to attend.

The trio consists of Jim Brown, Art Bain and Roy Tremble.

Mrs. Veda McClelland, 49 Cambridge drive, was hostess Monday afternoon to her birthday club.

Refreshments were served to Mesdames Leola Pyles, Leola Tucker, Glenna Staggs, a daughter, Crystal, Carol Caccatt and son, Phillip, Ruby Pyles, Barbara Ellledge, a daughter, Beth, Bessie Young, Pat Varady and daughter, Candy, Linda Bone and son, Darryl, Ella Thompson and Kevin Meadows.

The group presented a gift to Mrs. McClelland.

Mr. and Mrs. Delbert Pyles and sons, Butch and Randy, of Edwardsville road had as guests Sunday Mr. and Mrs. Daniel Grimm and children of Cahokia, Ill., Sally Jensen of Granite City, Ralph Bauer and Mr. and Mrs. Barry Basile who left Monday for Memphis, Tenn.

Mrs. Pauline Dammant and daughter, Glenna Staggs, a daughter, Crystal, visited in Glen Carbon Tuesday with Mr. and Mrs. Leo Williams.

\$200 Expense Allowance for Assessor Squeezes Through

The one vote needed by Granite City township's new tax assessor James Barton was mustered Monday night for approval of his \$200-a-month expense allowance.

The vote of the city council, meeting in its capacity as the town board of auditors, was 11-0 for the assessor's \$200 expense bills for January and for February. Both the mayor and the city clerk are voting members of the town board, and only one alderman was absent Monday night, Sixth Ward Alderman Gerald Parney was at work.

Barton's January allowance, which was itemized, failed to gain sufficient support last month because of absenteeism among council members. Town Atty. William Schooley had ruled at least 11 votes would be needed for approval.

Protests to the \$200 allowance—compared to \$50 a month for Granville's predecessor—were again raised Monday night, and it was noted the assessor did not itemize his February expense bill.

Quotes Legal Opinion

Alderman Sternberg, who has opposed the \$200 allowance since before it was authorized last December, pointed out that the attorney had stated in a written legal opinion a requirement for expenses to be itemized.

The alderman predicted last month that if the allowance gained approval, it would no longer be itemized.

He challenged the legality of

the bill and urged that it be rejected. This brought a reply by Alderman Basarich that Sternberg, an adult leader in the Boy Scouts, "should wear his scout uniform."

Basarich added that he would raise Sternberg's taxes.

Sternberg replied that he doubted if Barton would follow that action since he didn't even "have guts enough" to itemize expenses.

Compares IRS and City

Alderman Nomm also debated Sternberg and pointed out that if Barton could satisfy the U. S. Internal Revenue Department with his expenses, then the city should be satisfied. Nomm added that the council had seen fit to grant the \$150 jump in expense allowance in order to give more pay to the assessor.

"We didn't give him much of a raise in salary, and a good, happy assessor can do a lot of good for a city," Nomm added.

Voting for the two \$200 expense allowances were Aldermen Nomm, Basarich, Bartosiek, Johnson, Dallas, Moerlein, Fry, Robertson, Paulos and Green and Clerk Penickton. Opposed were Aldermen Runkle, Whittier, Boyd, Sternberg and Thompson and Mayor Partney.

Also approved by the council were the township bills totaling \$4707, including \$3144 for relief and \$1563 for town purposes.

The monthly financial report by Supervisor Nelson Hagauer showed relief disbursements of \$18,553 during February, leaving a balance of \$67,157, and town fund disbursements of \$406, leaving a balance of \$15,219.

Desire of Vietnamese for Change Offers Hope of Eventual Victory

(The Spectator, Somerset, Mass.)

An elderly Vietnamese professor sat at lunch with American newspaper correspondents and some Saigon businessmen.

They were discussing the war and its objectives.

The old professor listened for a long time and then he said: "The people are like water. They assume the shape of the container that holds them."

He went on slowly and softly to say that the government of South Vietnam had not been able to make a glass that could hold a majority of the people and give them simple objectives for which to fight.

"The Communists have been able to make a glass in which to hold the people," he continued.

We can break the Communists' glass, but they can make another. Until we are able to make a glass of our own, we will have nothing in which to hold the people."

In his understanding of uneducated, uninformed peasants, the old professor knew that Communism, unworkable in the long run, does hold an attraction to these run-of-the-road people.

It is easy to convince people FOR.

Census Bureau to Study Migration Patterns

Questions aimed at determining national migration patterns of the U.S. population between decennial censuses will be asked here during the Bureau of the Census Current Population Survey the week of March 13, according to Director Theodore F. Olson of the Bureau's regional office in Chicago.

The questions will be asked for all persons in sample households throughout the area, Director Olson said. The survey will supplement regular monthly survey questions on employment and unemployment asked of the population 14 years old and over by Bureau interviewers to measure the national situation for the U.S. Department of Labor's Bureau of Labor Statistics. The monthly labor force survey is taken in several hundred scientifically selected sample areas of the U.S.

The questions on migration will seek to determine if the person has moved within the past 12 months and, if so, if he was living in the same county and State or living abroad a year earlier. A similar study in March 1964 showed that of the 185.3 million persons one year old and above living in the U.S. at that time, 19.6 percent (36.3 million) had been living at a different address in the U.S. in March 1963. The proportion of movers within the country has ranged from 18.6 to 21.0 percent, according to previous annual surveys conducted since 1948. Unemployment seems to make an appreciable contribution to the volume of migration. The questions for adults also will ask for information on income during 1965 and on marital status, sex, race, education, and relationship to the head of household.

Training Program for State Hospital Jobs Open at Alton

A new training program for area residents has been started at Alton State Hospital. The 14-week course, taught by three hospital nursing instructors, involves training psychiatric aides. A second class is scheduled to begin March 18, with those interested in participating asked to apply at the Illinois Employment Office, Alton.

Sponsored through the federal government's Manpower Development Training Act, overall di-

rection of the program is handled by Alton Unit School District 11, in cooperation with the Illinois Employment Agency. Dean Browning, Alton district's trade and industrial coordinator, also supervises the MDTA schooling. The training is based on the premise that skill can best be achieved through integration of theory and practical application, according to Mrs. Patricia Sken, the program's coordination instructor. The trainee, she

added, also is given a broad view of functions at state institutions and is eligible for employment at any state institution on successful completion of the course and provided a qualifying score is made in a regular civil service exam. Mrs. Sken explained that graduates from this program will be a principal source drawn on for new psychiatric aides. Additional instruction will be given to those hired, she said, and they

will be subjected to a continuing education program. Classes during the 14 weeks are held at the hospital Monday through Friday, from 8:15 a.m. to 3:45 p.m. The training comes under the Alton State Hospital's nursing service, headed by Miss Lydia Ricci, who helped formulate the curriculum. Other curriculum guidelines were prepared by Miss Katherine Quinci, nursing education coordinator, Mrs. Sken and her assistants, Miss Patricia Moriarty and Miss Janet Kallal.

PEGGY SCHMITZ

Peggy Schmitz Receives God, Community Award

Peggy Schmitz, daughter of Mr. and Mrs. Michael C. Schmitz, 3005 Maryville road, a member of Girl Scout Troop 25, was the recipient of the God and Community Award this week at St. John Lutheran Church.

The award was presented by Rev. Samuel Boda, pastor, Edward Septimier, president of the Couples Club which sponsored the award, and Mrs. Doris Votaw, troop leader.

Other Girl Scouts also were present in the observance of Girl Scout Week.

Free Tickets Offered For Bach Society Concert

Scholarship tickets for the spring festival concert to be presented April 15 at Kiel Opera House by the Bach Society of St. Louis will be furnished free to selected high school seniors in the metropolitan area.

To be eligible, they must be recommended by their music teachers. Information on the plan has been mailed to the public, private and parochial high schools.

Delyte W. Morris is the eighth president in Southern Illinois University's 67-year history, serving since 1948.

Final Exams Set For Next Week at SIU-SW Centers

Final examinations for the winter quarter at the Southern Illinois University - Southwest Campus will be held from Monday through Saturday of next week.

All classes meeting weekdays from 8 a.m. to 3 p.m. will not meet during the final examination week. Classes meeting at 4 p.m. or later and on Saturdays will meet at their regularly scheduled times.

Day students with more than three examinations during one scheduled day may request make-up examinations to be given at one of the specified make-up periods on Friday. Evening classes are not counted in determining whether a student may appeal an examination.

The time and day of the first meeting of the class during the regular instructional week determined the time of the examination period.

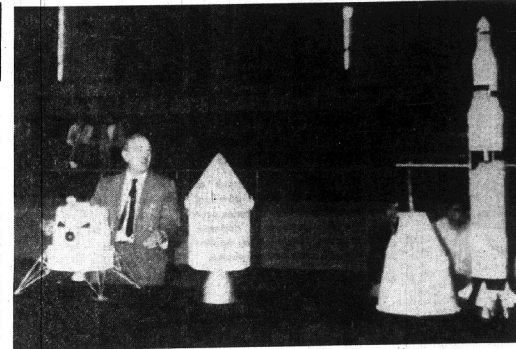

Examinations for classes meeting at 4 p.m. and thereafter are to be given at one of the regularly scheduled periods during the last week, the specific day

being at the option of the professor.

Saturday examinations will be given March 19 at the regularly scheduled class period.

Each course beginning between 8 a.m. and 3 p.m. will be scheduled for 100-minute examination periods.

MODELS OF SPACE CRAFT in use or projected in the current U. S. space program are demonstrated by Harold Miller of the Lewis Space Research Center, Cleveland, Ohio, at a recent assembly at Venice high school. The program was sponsored by the student council.

Coolidge Band To Present Spring Concert on Monday

The 120-member Coolidge junior high school band will present an early spring concert at 8 p.m. Monday at the senior high school auditorium under the direction of R. D. Todoroff.

Part of the concert will feature themes from motion pictures and television. From the movies will be themes from "King of Kings" and from "Great Italian Movies," including "More" from "Mando Cane."

From television, themes will be from "The Lieutenant" and "The Munsters."

Music of the masters will receive attention through the performance of Mozart's "J. R. Pastore (The Shepherd King) Overture," Rimsky-Korsakoff's "Carnegie and Fanfare" from "The Snow Maiden" and Bellini's "Overture to Romeo and Juliet." Bob Willmizig and Sue Elbow Newman will share the spotlight in the performance of a percussion duet, "Three/Pour for Two" for solo snare drum and tympani with band accompaniment.

The rest of the program will consist of lighter selections, including "The Sentry Boy," a modern version of the old standard "American Patrol," "Arioso," of swing vintage; "The Girl from Ipanema," a Latin-American bossa-nova; and "Colours Flying" march, in traditional band styling.

Stage settings are by Eugene L. Aissi, supervisor of art education for the public schools. There will be no admission charge for the hour-long program, and the public is invited to attend.

Jack Saltich Receives Straight 'A' Average

Jack Saltich, son of Mr. and Mrs. Steven Saltich, 2972 Washington avenue, received a straight 'A' average last semester at the University of Illinois where he is a senior majoring in electrical engineering.

He also was initiated into Eta Kappa Nu, an electrical engineering honor society, and was invited to become an engineering James Scholar, which he accepted.

To be eligible for Eta Kappa Nu, a student must show high scholastic achievement and other qualities which indicate that he will be a success in his profession.

Recognition as a James Scholar in engineering requires the maintenance of a 4.3 average or higher on a five-point system. He is a graduate of Granite City high school, is married and has a child. The family resides in Urbana.

Rohlfing Accepts Intern Teaching Assignment

Terry Rohlfing, son of Mr. and Mrs. Henry Rohlfing, 2320 East 25th street, has accepted an internship teaching assignment to Redemptor Lutheran school, Austin, Texas.

A junior at Concordia Teachers College, River Forest, he is preparing to serve as a teacher in the elementary and secondary system of the Lutheran Church-Missouri Synod, and during the program will discontinue his studies for a year to teach. He then will resume his studies after the year of teaching.

Orchestra Concert Set Tuesday Night

An orchestra composed of Granite City high and junior high school student musicians will present a concert at 8 p.m. Tuesday in the high school auditorium.

Selections ranging from Walt Disney tunes to the "Telemann Luftige Suite" will be played. The concert will be free to the public.

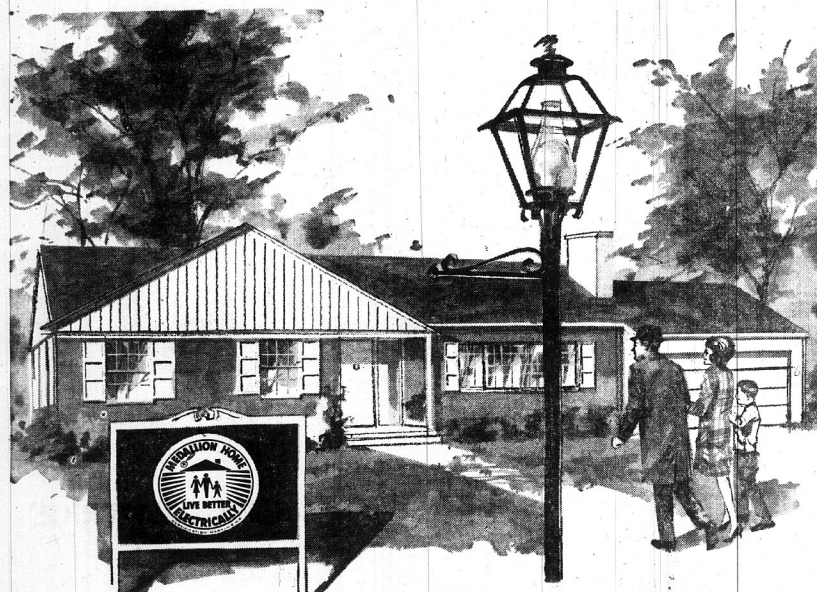

About 50 members will perform. From the high school are Kathy Jones, Arela Moxey, Ruth Costello, Phyllis King, Cindy Settlemyer, Alta Bollinger, Allison Wallis, Don Shewell, Don Bode, Darrell Grindstaff, Linda West, Randy Raymond and Virginia Faye.

Venice Grade Science Fair Conducted Today

The seventh and eighth grade classes were staging their sixth annual science fair this afternoon with inspections of the exhibits set for all of the grade school children and parents.

Trophies, ribbons and certificates of merit are to be presented to winners in each of four classrooms. About 100 students are participating under the direction of Robert Blatner, eighth grade teacher.

Judges are Roger Davis, principal of Venice grade school, and Louis Sabin, principal of Venice high school.

You're smart to insist on a Medallion Home

When your family buys or builds a house, you're investing in a way of life.

The home you buy will determine how your family will live, work, relax, study, entertain, for many years to come.

That's why home-buyers appreciate the assurance given by "Medallion Home" builders. The Medallion assures you a new home with the convenience of at least four major electrical appliances, plus adequate electrical capacity for tomorrow's growing needs. Plenty of circuits and outlets. No more blown-fuse nuisance. A "Medallion Home" is planned to provide for tomorrow's needs for your family.

If you're looking for a new home, look for the hallmark of quality in a home that's earned the Medallion. Insist on a "Medallion Home"—another service of Illinois Power.

Enjoy the convenience of an Electric Post Light

Automatically turns on at twilight, off at dawn. Discourages prowlers, makes walks safer, glamorizes your entrance or patio. See the selection at your Illinois Power office.

GCBS Band Invited To Participate in National Conclave

The Granite City high school concert band will participate in the National Music Educators convention on Friday, a next week at Kansas City, Mo. The group will leave by bus next Thursday morning.

The band was invited, along with two other high school bands, to play at the convention's general assembly. The three will represent other high school bands throughout the U. S.

All facets of music education will be represented at the conclave, including university bands and orchestras. The University of Illinois orchestra will be one of the groups.

Louis Meek, band director, has selected the following numbers—"Festive Overture" by Dmitri Shostakovich, "Mazurka Requiem" by Giuseppe Verdi, "Rondo Marziale" by Arthur Frackenpohl, and two marches, "The Black Horse Troop" and "Dune din."

The group will stay overnight in a motel.

Student Council to 'Adopt' Greek Girl

The Student Council at Granite City high school has decided to "adopt" a girl in Greece, age seven, as a philanthropic project.

The council is negotiating with the Foster Parent Plan which operates in 17 countries. The selection of the girl has yet to be confirmed.

The council will provide \$180 a year, payable at \$15 a month, to be used for food, clothing, housing and education of the child. In return, the council will receive a photograph of the child and a life story of her and her family. Letters are to be sent and translated monthly so the "parents" can see how their child is doing.

Members noted that clothing and toys can be sent directly to the rest of the child's family after the selection is made.

3 GC Students in Play Cast at ISU

Three Granite City students are members of a cast that will present eight performances of "Inherit the Wind" March 18-19 and March 21 through 26 at Illinois State University, Normal.

All performances will start at 8 p.m. They are Robert Bowers III, son of Mr. and Mrs. James Bowers Jr., 2824 Nameoki road, in the role of a radio man; Connie Dean, daughter of Mr. and Mrs. William D. Dean, 2335 Pontoon road, jurymen; No. 1, Mrs. Cooper, and Elaine Raub, daughter of Mr. and Mrs. James Raub, 2116 Adams street, in the role of Hapsabah.

Placed on Honor Roll
Jesse Ivan Mock Jr., 1740 Spring avenue, a freshman engineering student at Purdue University, Lafayette, Ind., has received a distinguished student rating for high grades earned during the fall semester.

MARDI GRAS QUEEN for the Atkin-Colby residence halls at Illinois State University, Normal, was Miss Mary P. Lewis, daughter of Mr. and Mrs. Al Lewis, 139 Briarwood lane, during recent festivities. She is seated here with George Barford, an ISU faculty member who served as a judge. More than 1600 coeds took part.

HMS Pinafore to Embark Tonight on GCBS Stage

The vocal music department of Granite City high school will offer its presentation of "H.M.S. Pinafore" at 8 p.m. today and Friday in the school auditorium. Reserved seats are on sale.

The musical is a nautical satire taking place on the ship, "H.M.S. Pinafore," in the harbor of Portsmouth.

Some time before Act I opens, Ralph has fallen in love with Josephine, daughter of his commanding officer, Capt. Corcoran. Likewise, Little Buttercup, a peddler-woman, has fallen in love with the captain himself.

Class pride, however, stands in the way of the natural inclinations of both the Corcorans to reciprocate Ralph's and Buttercup's affections. The captain has, in fact, been arranging a marriage between his daughter and Sir Joseph Porter, First Lord of the Admiralty, who is of the social class above even the Corcorans.

Hints Dark Secret
The generally happy atmosphere is marred by Little Buttercup's hint of a dark secret she is hiding, by the grumblings of Dick Deadeye, the villain, and the love-plaints of Ralph and Josephine. Josephine finds Sir Joseph insufferable and finally agrees to elope with Ralph.

Act II opens with the captain in despair at the demoralization of his crew and the coldness of his daughter towards Sir Joseph. Meanwhile, Dick Deadeye has made his way to the captain and informs him of the planned elopement of his daughter with Ralph. The captain intercepts the elopers and orders Ralph imprisoned in the ship's dungeon. Little Buttercup then reveals her secret which solves the whole difficulty.

The error is immediately rectified. The sudden reversal in the

Pioneer Fine Arts Week Under Way At Assumption

Assumption high school will hold its first annual variety show at 8 p.m. Saturday in the school gym as part of a Pioneer Fine Arts Week.

Junior College Day Set at Carbondale SIU

Students from 44 junior colleges in Illinois, Indiana, Kentucky and Missouri will be invited to attend an annual guest day April 1 at Southern Illinois University, Carbondale.

Leslie J. Chamberlin, SIU Carbondale campus admissions director, said purpose of the day is to provide junior college students considering transfer to Southern upon graduation an opportunity to visit the campus and obtain more information about the university.

Piano Recital Corded At SIU-SW Friday Night

Pianist Leonidas Sarakatsanis will give a recital at 8:15 p.m. Friday in the Logejoy Library auditorium at Southern Illinois University's Southwestern Campus.

A former member of SIU's Fine Arts Division faculty, Sarakatsanis is currently teaching and working toward his doctorate in music at the University of Cincinnati. The program is open to the public without charge.

Little Seated as Roca President; 2 Others Honored

James Little was installed as president of the Roca Young Men's club Tuesday night during ceremonies at the Rose Bowl restaurant.

Don Kirksey was presented the outstanding member award, and Harry Hartman received the Founder's plaque.

Other officers installed were Terry Moore, internal vice-president; Kirksey, external vice-president; Hartman, secretary; Peter Sabini, treasurer; Dan Wilson, pledge-master; and Rich Kozar, sergeant-at-arms.

Attending the dinner and ceremonies were 23 members and four club sweethearts.

Registration Set for Summer Quarter at SIU

High school seniors planning to enter Southern Illinois University in the 1966 summer quarter should initiate action now, according to Leslie J. Chamberlin, Carbondale campus admissions director.

Chamberlin said such students should immediately inform his office of their intent to enter the university and request an admissions packet. They will receive further information by return mail. Actual registration procedures start April 11.

Beginning June 20 and extending to Sept. 2, the 1966 summer quarter will be full length. SIU completed its transition to a complete, year-around, four-quarter schedule last year.

One-fifth of the more than 17,000 students on Southern Illinois University's Carbondale campus are from Cook county.

Five Juniors at GCHS Nominated for Awards

Five Granite City high school juniors have been nominated for the National Council of Teachers of English Achievement Awards.

They are Tessa Becker, Terry Moore, Andrea Rehagen, Fred Towse and Debra Paulett. The students were chosen on the basis of test scores and teacher recommendations on writing ability, reading background and class participation.

The awards provide public recognition to outstanding high school English students in the U. S. and have helped winners and runners-up to gain scholarships and to be accepted in the colleges or universities of their choice.

Bob Butler was a national winner in 1962, with Colleen Malone as a runner-up. John Beard was a runner-up last year. Winners and runners-up will be notified Nov. 24. Finalists will receive a scroll plus recommendations to colleges and universities.

McCarthy to Participate In Seminar for Youths

Chris McCarthy, a member of Central Christian Church, will participate in the Sixth International Affairs Seminar for Youth Sunday through Friday of next week at Washington, D. C., and New York City.

Sponsored by the United Christian Missionary Society for youth of Christian Churches (Disciples of Christ) in the 11th and 12th grades, participants will visit the United Nations and the U. S. Capitol.

McCarthy is one of two seminary delegates chosen to represent the Christian Churches (Disciples of Christ) youth at the inter-religious Conference on Peace to be held Tuesday to Thursday in Washington.

Participating will be 77 youths and 19 adults from Christian Churches across the U. S. In New York the group will meet with representatives of several countries, the staff of the U. N. Inter-church Center and International House. In Washington they will visit their congressmen, a foreign embassy and the U. S. State Department.

Each participant has done several hundred pages of required reading and written a 2000-word paper on a topic relating to the Christian in citizenship and international affairs. McCarthy, son of Mrs. Ruth G. McCarthy, 2101 Glen drive, will be available for appearances before church, school and civic groups. He is a Granite City high school student.

There is no on-campus student housing at Southern Illinois University-Southwestern Campus.

\$16,500 Research Grant Given Professor Here

A \$16,500 grant to find source materials for research with young children has been awarded to Prof. Orval Johnson of Southern Illinois University-Southwestern Campus education department.

The research will bring together an up-to-date compendium of instruments and techniques that will save time for the researcher dealing with young children, Johnson said, and will also stimulate planning of evaluation and measurement phases of research with them. The project is expected to be completed by the end of June.

Revenue Bond Issue For New Dorm Planned

A revenue bond issue for the total cost of construction of a new dormitory for students being built at Southern Illinois University's Vocational Technical Institute was being prepared in Chicago, it was announced by Kenneth R. Miller, executive director of the SIU Foundation.

Meanwhile SIU Treasurer Robert Galleghy has arranged for interim construction financing of the structure, at three and a half percent interest, with The Northern Trust Co. of Chicago. Southern's VTI is ten miles east of the Carbondale campus.

PFC GERALD L. (JERRY) STEARNS, a medic with the 8th Field Hospital at Nha Trang, South Vietnam, has been stationed there since Aug. 1965.

Pfc. Stearns Meets 2 Local GIs in Vietnam

Pfc. Gerald L. (Jerry) Stearns, a son of Mr. and Mrs. Bill Stearns, 4925 Maryville road, attached to the 8th Field Hospital at Nha Trang, South Vietnam, writes to his parents in a recent letter of his experiences there and of meeting two other Granite Cityans, Gregory Henn and Gary Jones.

Henn is at Nha Trang and Jones is farther north in Quang Binh but all three enjoyed being together and talking about home. Pfc. Stearns said he hopes to return on a 30-day furlough this fall and that the "medics" are kept quite busy with many wounded coming in from late operations.

Pfc. Stearns enlisted in February 1965 and has been in Vietnam since August 1965. He took his basic training at Fort Leonard Wood and his medical training at the U. S. Army Medical Training Center at Fort Sam Houston, Texas, receiving his certificate in July 1965.

Monticello Water Show Set Friday, Saturday

Members of Monticello College swim classes, Martin Club, and guests from the community will combine their talents in 16 variety-filled aquatic numbers during Monticello's annual water show Friday and Saturday. Show time is 8:15 p.m. The public is invited to attend this outstanding swim event without charge. The theme selected for this year's show is "America Sounds Off!" Color slides depicting a tour of America have been prepared by Shell Oil Company's Camera club and will be projected onto a screen at pool side. Colored spot lights will then focus attention on the swimmers as they execute corresponding numbers in the water.

29 Sr. Girl Scouts Receive Reminders Of Roundup Pledge

Twenty-nine Senior Girl Scouts of the River Bluffs Council received an unusual communication in the mail this week.

Each received an envelope which she had addressed to herself from the Girl Scout senior roundup last July in Farragut, Ida. The envelope contained a promise she had made to herself at the end of the two-week encampment.

The envelopes were mailed to the girls in time to coincide with the celebration of Girl Scout Week this week. Theme of the week's observance is "Girl Scouting—A Promise in Action."

The promise made by Alta Bollinger, daughter of Mr. and Mrs. Bill Bollinger, 3000 Willow avenue, was "to bring a greater understanding of Girl Scout principles and practices to others and to tell others of the experiences of participating in the 1965 Senior Girl Scout roundup."

More than 12,000 girls in the local council are putting the Girl Scout promise into action this week by announcing a series of promise projects which involve service to God, country and others.

Commenting on the significance of the Girl Scout promise, Mrs. George E. Eubanks, council president, said "We all need to be reminded of the standards we have set for ourselves. It expresses a high ethical code in simple, basic terms. Girls and adults commit themselves to observance of this code when they become Girl Scouts. The promise becomes effective as girls and adults understand, remember and act upon it."

Plan to buy a farm?

Don't forget to protect your investment with title insurance. Even if the farm you buy has been handed down through one family for generations, the title to the land has probably changed hands many times.

If there were mistakes in record-keeping during one of those changes, or if some member of the family did not legally give up his interest in the property, you could pay for a farm in which someone else may have an interest. A Title Insurance policy from Chicago Title and Trust Company, protects you against such risks when buying real estate of any kind. It gives you the assurance that you really own the property you pay for.

Chicago Title and Trust Company provides the kind of rapid, efficient service that only the company with 119 years of experience in Illinois real estate titles can offer—with the safety that can only come from the company with the largest financial assets available to protect you against loss.

Wrong Name on Permit

A building permit was issued last month for a new Briarcliff Pentecostal Church building, and not for the Briarcliff Assembly of God, the name listed on the permit. It will be located at Briarhaven and West Ponton road, will have one story and nine classrooms in the basement, according to Rev. Ross Smith, pastor, who said the permit has been corrected.

City to Add 13 Traffic Controls at Commission's Request

Changes or additions to traffic controls at 13 locations and the establishment of two-hour parking zones at 23rd and State streets were authorized by Granite City council members Monday night, based on recommendations by the citizens' Traffic Study Commission.

Ordinances are to be prepared for approval at the March 21 meeting.

Rejected by the council were the commission's recommendations for removal of four stop signs along West 20th street and erection of stop signs on Union street and on McKinley street at their intersections with West 20th street, and for a stop sign switch at Edwards and Henry streets to establish stop signs on Henry street.

With protests by Alderman Nann, the council voted down 8-to-5 the West 20th street changes, and there was the same tally on the vote to reject the sign switch at Edwards and Henry streets.

Turned down by the Traffic Study Commission was a request for a 10-ton load limit to be

placed on West 20th street made by Alderman Nann.

Traffic controls for which ordinances are to be prepared include yield signs on the following street at their intersections with Wabash avenue: Clark, Lindell, Cottage, Garfield, Richmond, Manley and Ames avenues; yield signs on Wilson avenue at Dogwood drive.

GC Plans to Install 25 Brighter Street Lights

Granite City's brighter street light program is a bout to be started with requests made during Monday night's city council session for 25 additional installations of units of 6000 lumens. A resolution is to be prepared for final approval by the council in two weeks.

Locations requested are — at the rear of the city hall, at the rear of 2215 Hodges avenue, 2813 Lincoln avenue, Maryville road and St. Clair avenue, 2437 St. Clair avenue, 3100 Edgewood drive, 3004 Erin drive, 2412, 2428, 2444 and 3200 Kilarney drive.

At 2306 O'Hare avenue, two lights along Ponton road at Namroki school; 4126 Braden avenue; in the alley at 1724 Spring avenue; 3800 Fair Oaks drive; 2811 East 24th street; 2816 Edwards street; 2810 Palmer avenue; 2912 Pershing ave-

Stop signs are subject to approval for location on Adams street at Niedringhaus avenue, and on Oregon avenue at Benton street, on Troy avenue at Benton street and on Idaho avenue at Benton street.

The proposed two-hour parking zones are to be on the southwest corner of 23rd and State streets at Simpson's Paint store. They

will extend for 50 feet from the corner along 23rd street and along State street.

Alderman Bartolack commented after the council votes on the authorizations that perhaps the commission should resurvey stop signs in the city.

"Instead of the 900 we had, it seems that we now have about 1100," he stated.

Report Due Next Year

Role of SIU in Government Study Outlined by Chairman

When the Commission on State Government — Illinois submits its final report early next year, Southern Illinois University Carbondale will have played a significant role in its work.

Jack F. Isakoff, commission chairman, is a member of the SIU government department faculty and acting director of the SIU Public Affairs Research Bureau. But the roots of the university's concern go much deeper, involving a number of people over a period of years.

The commission was created by the 1965 Illinois General Assembly to "study the problems and organic laws pertaining to state government." In effect, however, it has limited itself to a study of the executive branch.

Commission membership includes five members each from the state House of Representatives and the Senate, and five from the general public appointed by the governor.

For Isakoff, appointment by Gov. Otto Kerner as one of the "citizen" members was not his first association with such a group. He was staff director for the 1949 Commission to Study State Government — the so-called "Schaefer Commission." Or-

Isakoff said, "President Morris department chairman, was a member of his staff."

Maurice Criz, staff director for the current commission, also was a member of the 1949 commission staff and Assistant Director of the Illinois State Police.

Isakoff said, "President Morris department chairman, was a member of his staff."

Maurice Criz, staff director for the current commission, also was a member of the 1949 commission staff and Assistant Director of the Illinois State Police.

The survey is slated to get under way on a full-scale basis Tuesday. Positions open include two assistant county directors, two executive secretaries, bookkeepers and clerk-typists.

Those interested in employment with the commission should send background resumes to Charles D. Hampton, 1035 Bissell street, Madison, chairman of the EOC personnel committee. Resumes should include work experience, educational and personal backgrounds, and three personal or employer references.

Interviews Planned
Applications will be screened by the county group. Hairston said, and interviews will be arranged for a later date. He urged local residents interested in applying for any of the positions to send their applications as quickly as possible.

The commission also has authorized an expanded "Project Head Start" pre-kindergarten program to be conducted under auspices of the Madison county superintendent of schools this summer. Head Start programs in 1966 will be sponsored in 12 Madison county school districts, including Venice, Madison and Granite City, at a cost of \$23,600.

Hairston said the medicare informational program, jointly sponsored by the St. Clair and Madison counties EOC groups, is progressing satisfactorily. He added that 29 survey takers presently are employed on a full-time basis, instead of the four-hour-per-day period originally planned.

It is the Springfield staff, Isakoff believes, which holds the key to success of the commission's work.

The staff analyzes a state department and reports to the commission, which relies heavily on staff recommendations. Such studies will continue through the end of the summer.

"Using these bright young staff members for the first screening (of the study) is the most economical use of our limited resources," Isakoff said in a interview on the SIU campus.

"At the same time, it trains young men in state government, and past experience has shown that a great many of them stay."

To the extent resources allow, Isakoff said, experts are brought in to look at particular state problems. For recommendations for state reform, for example, the commission turned to David Alexander, former director of the SIU Center for the Study of Crime, Delinquency, and Corrections and now director of the U.S. Bureau of Prisons.

"Our concern for problems of state government goes back through a good many years," Isakoff said. "President Morris department chairman, was a member of his staff."

Maurice Criz, staff director for the current commission, also was a member of the 1949 commission staff and Assistant Director of the Illinois State Police.

P. GEORGE KOSTOFF

Memorial Service For Pando Kostoff

A memorial service was held this week in Pomona, Calif., for a former Granite City, P. (Pando) George Kostoff, who died there March 4 of a heart attack.

Among the survivors is his widow, Mrs. Edith Margaret Kostoff, a daughter, Mrs. Constance E. Bridges, two granddaughters and a grandson, all residing in the Pomona area, and a sister, Mrs. John Bero, 1731 Chestnut street, who flew west for the funeral.

Taking part in the memorial service held at the Pomona Young Men's Christian Association, where Mr. Kostoff had served as secretary 16 years, was Milton Allen of this city, who sang a "solo to a friend." The Allens are vacationing in California.

Mr. Kostoff, 60, was in YMCA work for 40 years, having started his career of working with young men while attending high school in Granite City, and George Williams College in Chicago where he received a degree in physical education. He also received a degree in psychology from the University of Chicago.

Private internment was in a Pomona cemetery.

While he was attending high school here he gained areawide recognition as guard on the Granite City basketball team.

Ice Rink Drawings

Promised March 31

Final drawings and specifications for an ice rink and recreation center for Granite City, Wilson Park have been promised to park commissioners no later than March 31, it was announced Tuesday.

Following a meeting of the park board, Barry Loman, president, said Architects Gabriel and Dulgeroff, told the board the final drawings will be ready at that time.

Loman said that it will take approximately a day for the board to inspect the drawings before they will be released for bidding by construction companies.

Extracurricular Pay for Venice Teachers Authorized

Additional pay for extracurricular duties, amounting to \$1500 for the current 1965-66 school year, was authorized for teachers Monday evening by the Venice board of education. Conferees have been held with American Federation of Teachers Local 965 in connection with the extra pay request.

Initially, the teachers' bargaining committee had proposed an increase of \$1425 to cover the same sponsored programs. Within the past month, the two groups agreed to the \$1500 figure. Leo Davinroy, personnel committee chairman, reported Monday.

Assignment of extra duties will be handled on the basis of past practices, Davinroy said, with the teachers and principal to replace individuals with others if considered necessary, through termination of regular service in the school system or on the request of the specific teacher involved.

Eliminate Yearbook
The board decided to eliminate publication of an annual yearbook after the present school year, thereby reducing the total extra pay costs to \$1000 in ensuing years.

Although saying he regretted the decision to terminate the yearbook, Board President Michael E. Leatherman said the board had underwritten the cost of the project for several years, losing money each year. He added that students are experiencing difficulty again this year in obtaining enough advance orders to cover the cost.

Extracurricular assignments and additional pay involved include: two freshman class sponsors, \$50 each; two sophomore class sponsors, \$50 each; two junior class sponsors, \$200 each; and two senior class sponsors, \$200 each; student council sponsor, \$300; junior play sponsor, \$125; senior play sponsor, \$125; Junior Red Cross sponsor, \$50; and yearbook sponsor for one year, \$300.

Metropolitan Agents Win Honors in 1965

Representatives of the Granite City district office of the Metropolitan Life Insurance Co. enjoyed a banner year during 1965 with outstanding records established in various parts of the area. The Granite City district comprises 27 communities in the Quad-City area. Agents of these communities work out of the district office here, according to W. A. Triebes, district manager.

Leading the sales force was William Hodebecke, who qualified for the Millionaire's Club by placing more than one million in new insurance production credits during the year. He qualifies for attendance at the Millionaire's Club conference to be held later this year at San Juan, Puerto Rico.

Also attaining special recognition for their accomplishments were Edward Broyles, Charles Row, Leroy Benvenuto, Theodore Kwiatkowski, Archie Stagner, Richard Sues, Cliff Weckman and W. Wayne McIlvay, all of whom qualified for the Company Honor Club. Triebes pointed out that Broyles and Stagner won the distinction during the first year of their insurance careers. All Honor Club members will be invited to attend the Honor Club Business conference at Atlanta, Ga., in June.

Among management personnel qualifying for special recognition was G. Jack Kulenkamp, who qualified for the President's Award and finished the year as the leading MIC manager in the St. Louis and southern Illinois region. Agency Manager Richard Rice also qualified for the President's award by finishing in the top 25 of all Agency managers in the region. Both Rice and Kulenkamp will be invited to the Honor Club Conference in Atlanta.

Dog Problem Hits Nameoki Township; Consider Law

Stray dogs are becoming a serious problem in Nameoki township and will result in a presentation of the details of a leash law legislation during the annual town meeting on April 5, Harry Briggs, supervisor, told a regular town board meeting Monday night.

Michael Ropac, chairman of the Committee for Economic Development of Nameoki Township, posed the question about dog control, pointing out that several months ago Briggs reported that the matter would be studied with a view toward possible passage of an ordinance. Briggs told the meeting that he planned to present the details of a leash law at the township's annual session next month, leaving the decision up to the people. Briggs pointed out that passage of a leash law, requiring that dogs be confined at all times, would require the building of a dog pound and employment of a humane officer.

The supervisor said that because of a lot of rural territory in Nameoki township, passing the ordinance would be an almost impossible task.

Can't Enforce It
"We can pass a leash law, if that is what the people want," Briggs said, "but I don't see how we can enforce it." He said it would be "quite an expensive operation" for Nameoki township.

Briggs also assured Ropac that ample facilities will be available to accommodate an anticipated large attendance at the April 5 annual meeting. Ropac has asked Briggs at practically every meeting in the last two months if arrangements would be made to handle the attendance.

Ropac again asked Briggs if Monday night's meeting if available facilities will be available. Briggs said they would be. He said he is making arrangements for seating.

Charles Hanks, township highway commissioner, announced plans for a drive against junk autos which, he said, will be towed away if not eliminated by the owners. In such cases as necessary, legal recourse against the owners is possible, Hanks said.

Junk Cars Eliminated

Hanks said that a number of junk autos was eliminated recently in a campaign by the road and bridge department to clean up the highways and the right of way. This is impossible at times because of junk autos or auto bodies in front yards, Hanks explained.

Briggs announced that a public hearing for the new Nameoki township budget will be held in connection with the next regular meeting on March 21. Town officials have posted a new 1966-67 budget and appropriation of \$88,712 for the road fund, \$44,070 for the town fund and \$32,043 for general assistance.

Bills totaling \$54 for the road and bridge fund were approved, including a \$32 bill for payment of gasoline to Cities Service Oil Co., Nameoki and Ponton road. A bill payable out of the permanent road fund in the amount of \$26 was authorized. The bill is payable to Macclair Asphalt Co. for road material.

Local Plant Employee Killed Near Godfrey

Funeral services were held in Alton yesterday for Edward Harris, 26, who was killed in a car-truck collision near Godfrey early Saturday. A three-year Army veteran, he had been employed here at American Steel Foundries since being discharged from the service last June.

He is survived by his parents, Mr. and Mrs. Edward Harris of Alton; a sister, Betty Jean; and a brother, Robert Earl Harris.

Election Procedure Topic for Young GOP

The Teen Age Republican Club met Monday evening in the home of Mrs. Vernice Wirtman, advisor, 2460 Washington avenue, and the program on "Election Procedures" was by Kendall Durner.

David Koenig, president, called the meeting to order and after the pledge to the flag, roll call was answered with names of candidates and the office which they seek.

Dan Monken, membership chairman, reported dues unpaid by several of the members and introduced a guest, Miss Kathy Powell. Keith Darnier gave the secretary's report and Brenda Morris, ways and means chairman, announced plans for a fund-raising project would be discussed at the next meeting. Scott Kofers, campaign activities chairman, will present the April program on "Precinct Importance."

Mrs. Wirtman announced that a charter for membership in the state and national Teen Age Republican Clubs would be issued at the spring board meeting of Illinois Young Republicans to be held at Sunset Hill Holiday Inn the weekend of March 25-27.

Monday's meeting was climaxed with a recorded address, "Hayloft, Strawfoot," by Willis E. Stone concerning the early days of the nation and the Constitution.

The Teen Age Club will meet again April 11 at the Wirtman home.

Granite City Press-Record

DEVOTED EXCLUSIVELY TO GRANITE CITY — MADISON — VENICE — PONTOON BEACH — MITCHELL

TWICE-A-WEEK — MONDAY AND THURSDAY

THE GRANITE CITY PRESS-RECORD IS ABC AUDITED

Granite City collected more fines for parking meter violations during February than in any other single month since August 1961, and the second highest amount in the 14 years for which monthly records are available, according to a report by the office of Comptroller John Doohar.

The parking meter income was \$2732, which also represents the largest February collection since 1963, while the total of parking meter fines was \$1058. The \$1058 in fines is the largest in any

Farmers are being advised that the sign-up period for the new wheat program is now under way and ends April 1, it was announced today by M. Lee Rogers, office manager of the Agricultural Stabilization and Conservation Service office at Edwardsville.

"I am worried," Rogers said, "that some farmers will lose program benefits because they are confused about the wheat sign-up. It was started this year on Jan. 31, while in previous years it could be done in the fall.

"This was changed for 1966, and I urge farmers to review their operations to see if they have signed up." Rogers added that his office has information on all phases of the government's feed grain program.

Modifications in the shift assignment system for 17 patrolmen in the Granite City police department will start at the next scheduled shift change on March 21, Police Chief Raymond Willaredt announced this week.

Some of the patrolmen will be assigned to a permanent night shift from 9 p.m. to 5 a.m., while two day shifts will rotate every

Chief Willaredt said the new system will be used on a trial basis for a four-month period, and if it is not satisfactory, a return will be made to the old system where all three shifts rotate every four weeks.

rotate every four weeks.

This is the only department in the area to try the new system, the chief said, though the Alton police department assigns the same men to the same shifts on a rotating basis.

He said the change would have no effect on the canine department, traffic division or detective bureau. The change was recommended at a meeting of patrolmen Monday night.

Freight tonnage passing through the Chain of Rocks canal last month reached a total of 2,110,945 tons, an all-time record shipment for the month of February, according to the U. S.

Army Engineers office in St. Louis said that the previous high record for the month of February was set in 1962 with a tonnage total of 1,983,664.

In February 1965, total tonnage was 1,850,845, and in February 1964 was 1,944,330. The February 1963 total was 1,134,100.

The new tonnage record for last month included 741,845 tons of freight moving up river and 1,369,100 tons moving down river. February shipments increased to 4,369,237 the total tonnage for both January and February, an increase of 347,337 tons over the combined January-

February shipments of last year, and an increase of 892,882 tons over the January-February shipments of 1964.

A total of 3054 vessels passed through the locks during February in 546 lockages, compared to 2550 vessels and 464 lockages in February 1965. These figures

850 down.

February passages through the locks were made by 589 boats, 2439 barges, one private recreation boat, four U. S. government towboats, ten government barges, one government construction boat and ten private boats.

Edward Joseph Walsh, 53, of Rural Route Two, Jerseyville, the father of Mrs. Edward Bradley of Granite City, died Monday at the Jersey Community Hospital. Funeral services were held yesterday at St. Francis Xavier Church in Jerseyville.

Besides Mrs. Bradley, he is survived by his wife, Mrs. Margaret C. Walsh; two sons, Joseph E. and Francis Walsh; and another daughter, Miss Marie Walsh, all of Jerseyville; and two brothers, Robert L. Walsh, Granite City, and John R. Walsh, Jerseyville.

Third Baptist Church, 26th street and Grand avenue, is planning dedication services for the church's newly redecorated sanctuary on Sunday at 2:30 p.m.

The sanctuary has been redecorated in colonial styling, including a completely new chancel area and an improved narthex facilities. Furnishings include a new organ, and piano, baptistry, chancel furniture, pews, lighting,

The walls are done in colonial ivory with white trim. The pews and chancel furniture are the colonial white with walnut capping and antique gold cushions in the pews. The carpeting is also in the antique gold shade, while colonial chandeliers add the finishing touch to the interior.

L. L. Sams and Sons of Waco, Tex., were the decorating consultants; and the G. H. Sternberg Co., of Granite City was the general contractor.

The church is expecting many out-of-town visitors for the event. Representatives from the various companies supplying work and materials have been invited to attend as well as local officials and church representatives.

Rev. H. C. Croslin, Interim Executive Secretary for the Illinois Baptist Association, Carbondale, will be guest speaker for the occasion.

The church also is extending an invitation to the public to attend the dedication, the pastor, Rev. C. Eugene Phillips, has announced.

Registration for four night courses to be offered by the SIU-SW Campus Technical and Adult Education Division will be held in the Adult Education office at the Granite City high school be-

The courses, in industrial management, will meet one night a week each in the local high school, beginning the week of March 21. Additional information may be obtained through the SIU-SW Campus Technical and Adult Education Office, phone 692-3561.

Three autos, two of them parked, were damaged in Madison at 2:15 a.m. Tuesday when the brakes locked on a car driven

the brakes locked on a car driven by Melvin K. Andrews of 901 Fourth street, Venice. Andrews told Madison authorities that he was driving north on Madison avenue and that as he applied his brakes at Seventh street, the wheels locked, causing him to crash into parked cars owned by Larry R. Lukens of 1430 Fifth street, Madison, and Robert S. Ely of 2130 Collinsville avenue, Cloverleaf Addition.

Girl Scout Week will be brought to a close Saturday with a tree planting ceremony at Lee Park. what it signifies to Girl Scouting by Mrs. Florence Durer. Two Scouts from each age level

Mrs. Mabel Dandridge is serving as director of the program which will open at 1 p.m. with the flag ceremony by Troop 799 from Neighborhoods Two, Three and Five will participate as the girls sing "Trees."

The dedication of the trees will be by Mrs. Rose Parnell, presi-

the flag ceremony by Troop 193, Mrs. Dandridge, leader, followed by an address of welcome by Mrs. Jackie Frizzell, Neighborhood One chairman, and the presentation of the tree planting and plaque by Mrs. Rose Raines, president of the Dunbar PTA, and Linda Durer, Junior Troop 139; Jean Hollenbeck, Brownie Troop 73; Juanita Leach, Cadette Troop 114; and Leslie Skelly, Senior Troop 170, will place the plaque.

Two frame houses located on right of way purchased by the Illinois State Highway Department for construction of Federal Aid Route 151 along the riverfront will be offered for sale by competitive bidding, according

The Illinois Highway district office at French Village is calling for bid offers April 4 on a one-story frame residence of five rooms at 2926 Harding avenue and attached garage, known as tract 29, and for sale of a one-story frame residence of four rooms, with utility room and garage, known as tract 30, both in

A minimum bid of \$375 on the first horse and \$270 on the other is listed as a provision of bidding, which also must guarantee razing and removal of the house from the land as a means of clearing right of way for further grading work on Route 151. Bid forms are available at the French Village district highway office. Bids must be submitted

for opening at 10 a.m. April 4.

The highway department has included grading work on that stretch of Route 151 from a point west of Mitchell to Niedringhaus avenue as part of its work program this year. Construction of a grade separation at the Illinois Terminal Tracks at a cost of \$300,000, also is included in the 1966 list of highway projects.

Three drivers were arrested on speeding charges as police operated a radar unit at 1300 Edwardsville road Tuesday morning. Summoned for hearings by March 18 were James G. Ragdale, 2053 Alton avenue, Cloverleaf; Robert F. Delk, Cahokia; and Brenda K. Hicks, Belleville.

Two Quad-City youths have been assigned as crew members abroad the anti-submarine aircraft carrier USS Yorktown, it was announced today.

Two Tales of Kaskaskia

John W. Allen
Southern Illinois University

Practically everyone visiting Kaskaskia State Park makes one of his stops by the overlook on the crest of the bluff, east of the Mississippi. It sounds strange to say that this bluff once was as near the Kaskaskia as it now is to the Mississippi. Bluffs do go wandering; hence, it still occupies the very same spot where it has been for a few million years. The rivers, however, have moved.

When the French came to establish their fort and village, the Kaskaskia was going its calm way at the foot of the Illinois bluff, while the Mississippi was meandering its course along the foot of the Missouri hills, miles to the west. That was the arrangement until the Mississippi chose to move into Illinois and to take over the channel of the Kaskaskia.

There are two stories of why and how the river shift came about. One is the valid explanation. The other, hardly so valid, has an element of the romantic that makes it interesting.

Flooding Each Year

For some time after white men came and settled, the Mississippi flowed past the Missouri village of St. Mary's, while the Kaskaskia lay at the foot of the Illinois bluffs, several miles to the east. Each spring both rivers could be expected to reach flood stage, but not always at the same time.

One spring the Mississippi reached a higher than usual flood stage. Its waters covered the flood plain. At the same time the Kaskaskia was at a low stage. The waters of the Mississippi found it convenient to go across country and into the channel of the lower Kaskaskia instead of following its own circuitous route over a much greater distance. In hurrying across the shorter route, the flood in the river began to cut a new channel toward a point a short way above the old village. This canal was rapidly enlarged and soon was carrying most of the great river's waters. In a few years the newer channel became the main one of the Mississippi. The lower stretches of the Kaskaskia became a length of the Mississippi.

As the new channel widened and deepened, it did not spare the town of Kaskaskia, a one-time seat of empire, the metropolis of the Mississippi valley, and the early capital of Illinois. No vestige of the original town now remains. To protect the Missouri shore from assault by the river's current, rows of pilings extend into the stream from the Missouri shore, and a sandbar is building on the very site where Kaskaskia once was.

More Fanciful Legend

The more fanciful explanation of the reasons for the river's change of course and for the destruction of the old town is told too. It includes the beautiful and charming daughter of a wealthy French trader, her unusual Indian lover, and as might well be expected, the irate father of the young lady.

Course on Fallout Shelter Analysis Set

By Mrs. Catherine R. Mauck
Madison County Home Adviser

Qualified architects and engineers, or senior college students in those fields, are being invited to participate in a 14-session course in fallout shelter analysis. The initial class is to be held for 7 p.m. Wednesday in the St. Clair County Civil Defense Center, 1505 Caseyville avenue, Swansea.

The tuition-free course is being offered by the Office of Civil Defense, Region Four, Battle Creek, Mich., in cooperation with the Illinois Civil Defense Agency. Anthony J. Chivetta, who will instruct the course, announced today that all textbooks, supplies and related materials, will be furnished at no cost.

Prerequisites for participants is a bachelor degree or registration in architecture or engineering, or authorization for senior students in these professions. Those successfully completing the course will be certified as fallout shelter analysts by the Department of Defense, Chivetta said. Additional information may be obtained from William H. Eisele, Southwest Illinois Mutual Air Area coordinator, at Adams 5-0055.

Leaves Curb—Mishap

As he pulled away from the curb, an auto driven by Edward M. Dunham, 2004 West 20th street, collided with the right front of another driven by Conner Armour, 1425 Sixth street, Madison, at 2:10 p.m. Tuesday at 1822 State street. Dunham was charged with making an improper start from a parked position.

Door Glass Broken

Rev. Paul Surbey, 2901 Nameoki road, reported at 9:05 p.m. Tuesday that vandals threw a lump of coal and broke a glass door at the rear of the parsonage. He is pastor of St. John United Church of Christ.

elopment and placed her in a convent where, it is told, the grief-stricken maiden died within a year.

Some fabrics shrink or stretch as the result of laundering or dry cleaning. Others change in dimensions with changes in relative humidity.

For example, some fabrics lengthen when the humidity is high, and shorten when it is low. These changes are known in the trade as the "elevator" effect. Rayon, nylon and acetate show significant changes of this type.

When certain length is critical, such as with inset windows, avoid using draperies or curtains of rayon, nylon or acetate. The "elevator effect" is unavoidable with these fibers.

Also consider differences in shrinkage between the drapery fabric and that used for the lining. Unless both are completely preshrunk, differences may be expected. Changes in the dimension of either the drapery fabric or that used for the lining will cause draperies to hang unevenly.

Techniques for Sewing Stretch Fabrics

Basically there are few differences between sewing stretch fabric and sewing the conventional woven fabric. However, some guides are important to success.

I would recommend using textured nylon thread (Taslan) for synthetic fabrics and blends containing synthetics. Use silk thread for sewing silk and wool and mercerized thread for cotton fabrics.

You should use a medium to fine needle and 12 to 15 stitches per inch, depending on the weight of the fabric. Stay-stitch as you would on garments made of regular fabric.

The tension should be as light as possible and should be well balanced. Also, keep the pressure light. Sew slowly and steadily, feeding the fabric evenly through the machine.

Drapery, Curtain Fabrics

Shrinkage Problem
Draperies and curtains are planned to fit exact measurements, and it is important that they remain the planned size. Unfortunately, few fabrics as sold are completely stable in dimensions.

Many range backyards have the printing behind a panel of glass, with only the knobs mounted outside. Usually the knobs are removable. On other ranges the controls are mounted in compact units at the back or on one or both sides — out of the "spill" area.

There are also removable trim rings, drip pans, broiler reflectors.

Home notes

By Mrs. Catherine R. Mauck
Madison County Home Adviser

Thermometer Important In Meat Cookery

The meat thermometer is the only accurate guide to the internal temperature of the meat and the degree of doneness. Charts listing roasting time cannot be considered a completely reliable guide. Such charts give the approximate cooking time.

The internal temperatures and the stages of doneness for tender beef roasts are: rare—140 degrees F., medium-rare—160 degrees F., and well done—176 degrees F.

Remember that thick roasts will continue to cook in the center after they have been removed from the oven. The reason is that heat continues to be transferred from the surface of the meat to the interior. Therefore the roast should be removed from the oven when the thermometer is about 5 degrees F. below the desired internal temperature or degree of doneness.

On the other hand, in very thin slices of meat the internal temperature does not continue to rise after removal from the heat.

New Ranges Include Easy-to-Clean Features

Manufacturers of ranges are making the job of cleaning the equipment easier. Some of the new developments affect range-top cleaning, while others involve the oven and broiler units.

Some of the features you'll want to check if you are in the market for a new range are: On some ranges the entire surface lifts up. Others have tilt-up or pull-out surface coils.

Many range backyards have the printing behind a panel of glass, with only the knobs mounted outside. Usually the knobs are removable. On other ranges the controls are mounted in compact units at the back or on one or both sides — out of the "spill" area.

There are also removable trim rings, drip pans, broiler reflectors.

Stolen Army Clothes Claimed by Officer

Several Army shirts and trousers which were recovered by Granite City police with the arrest of a thief last month were reported stolen at 2:30 p.m. Monday by Jt. Col. Harold D. Fortus, Apt. 4, Pontoon Plaza apartments.

He was able to identify them. They were taken from an unlocked storage locker in the basement. A 19-year-old youth has admitted thefts from the basement.

Rolling Auto Hits Car

Two autos were observing a stop sign on Edison avenue at 18th street at 7:50 a.m. Tuesday when one driven by Mary C. Parchment, 1705 Moro avenue, rolled into the rear of another driven by Kenneth C. Tipton, 2125 Miracle avenue.

One Driver's License Revoked, 2 Suspended

The driver's license of one area motorist was revoked and two others were suspended by Paul Powell, secretary of state, it was announced at Springfield this week.

Revoked for driving while intoxicated was the license of Leonard J. Adams of Madison. Suspensions were ordered against Charles E. Holder, 3116 Aubrey avenue, for three violations, and Carl W. Rice, 1637 Courtenay blvd., for driving while the license or permit was suspended or revoked.

Four Hubcaps Stolen

Four hubcaps were stolen from a 1959 auto owned by Donald James, 1305 Kirkpatrick Homes, while it was parked during the night at his home, he reported at 8 a.m. Tuesday.

Carrier, Clerk Jobs Open at GC Post Office

Persons interested in becoming postal-clerk carriers in Granite City are invited to register at the main post office, 2250 Madison avenue, during normal working hours, it is announced today by GC Postmaster Theodore Overbeck. Those registering will be required to take a regular civil service examination later this spring.

Applicants must reside within the Granite City postal delivery area and have reached their 18th birthday on the date of registration. The appointment pays \$2.57 per hour for a 40-hour week, with a good retirement plan and other fringe benefits, the postal officer said.

School Lunch, Milk Reimbursements Mailed

Checks have been mailed to public and private schools for reimbursement under the school lunch and special milk programs of the state and federal government totaling \$36,229 in Madison county, Wilbur Trimpe, county superintendent of schools, announced this week.

Disbursements to Quad-City schools, showing the name of the treasurer and amounts in the lunch fund, milk fund and total in that order, are:
Granite City District 9, Ronald Dillard, \$5084, \$2333, \$7417;
Madison District 12, Ray Kozielek, \$926, \$353, \$1279;
District 3, Donald Phillips, \$227, \$161, \$388.

St. Mary's, Madison, Rev. Engelbert Bienek, \$130, \$4, \$134;
Sacred Heart, Margaret Crawshaw, \$138, \$38, \$176; St. Elizabeth's, Rev. L. J. Mattingly, \$249, \$39, \$288; and St. Margaret Mary, Mrs. Robert McClew, \$149, \$16, \$165.

Due to the insufficiency of funds at the state level, Trimpe said five per cent was deducted from the total milk claims.
